Foreword

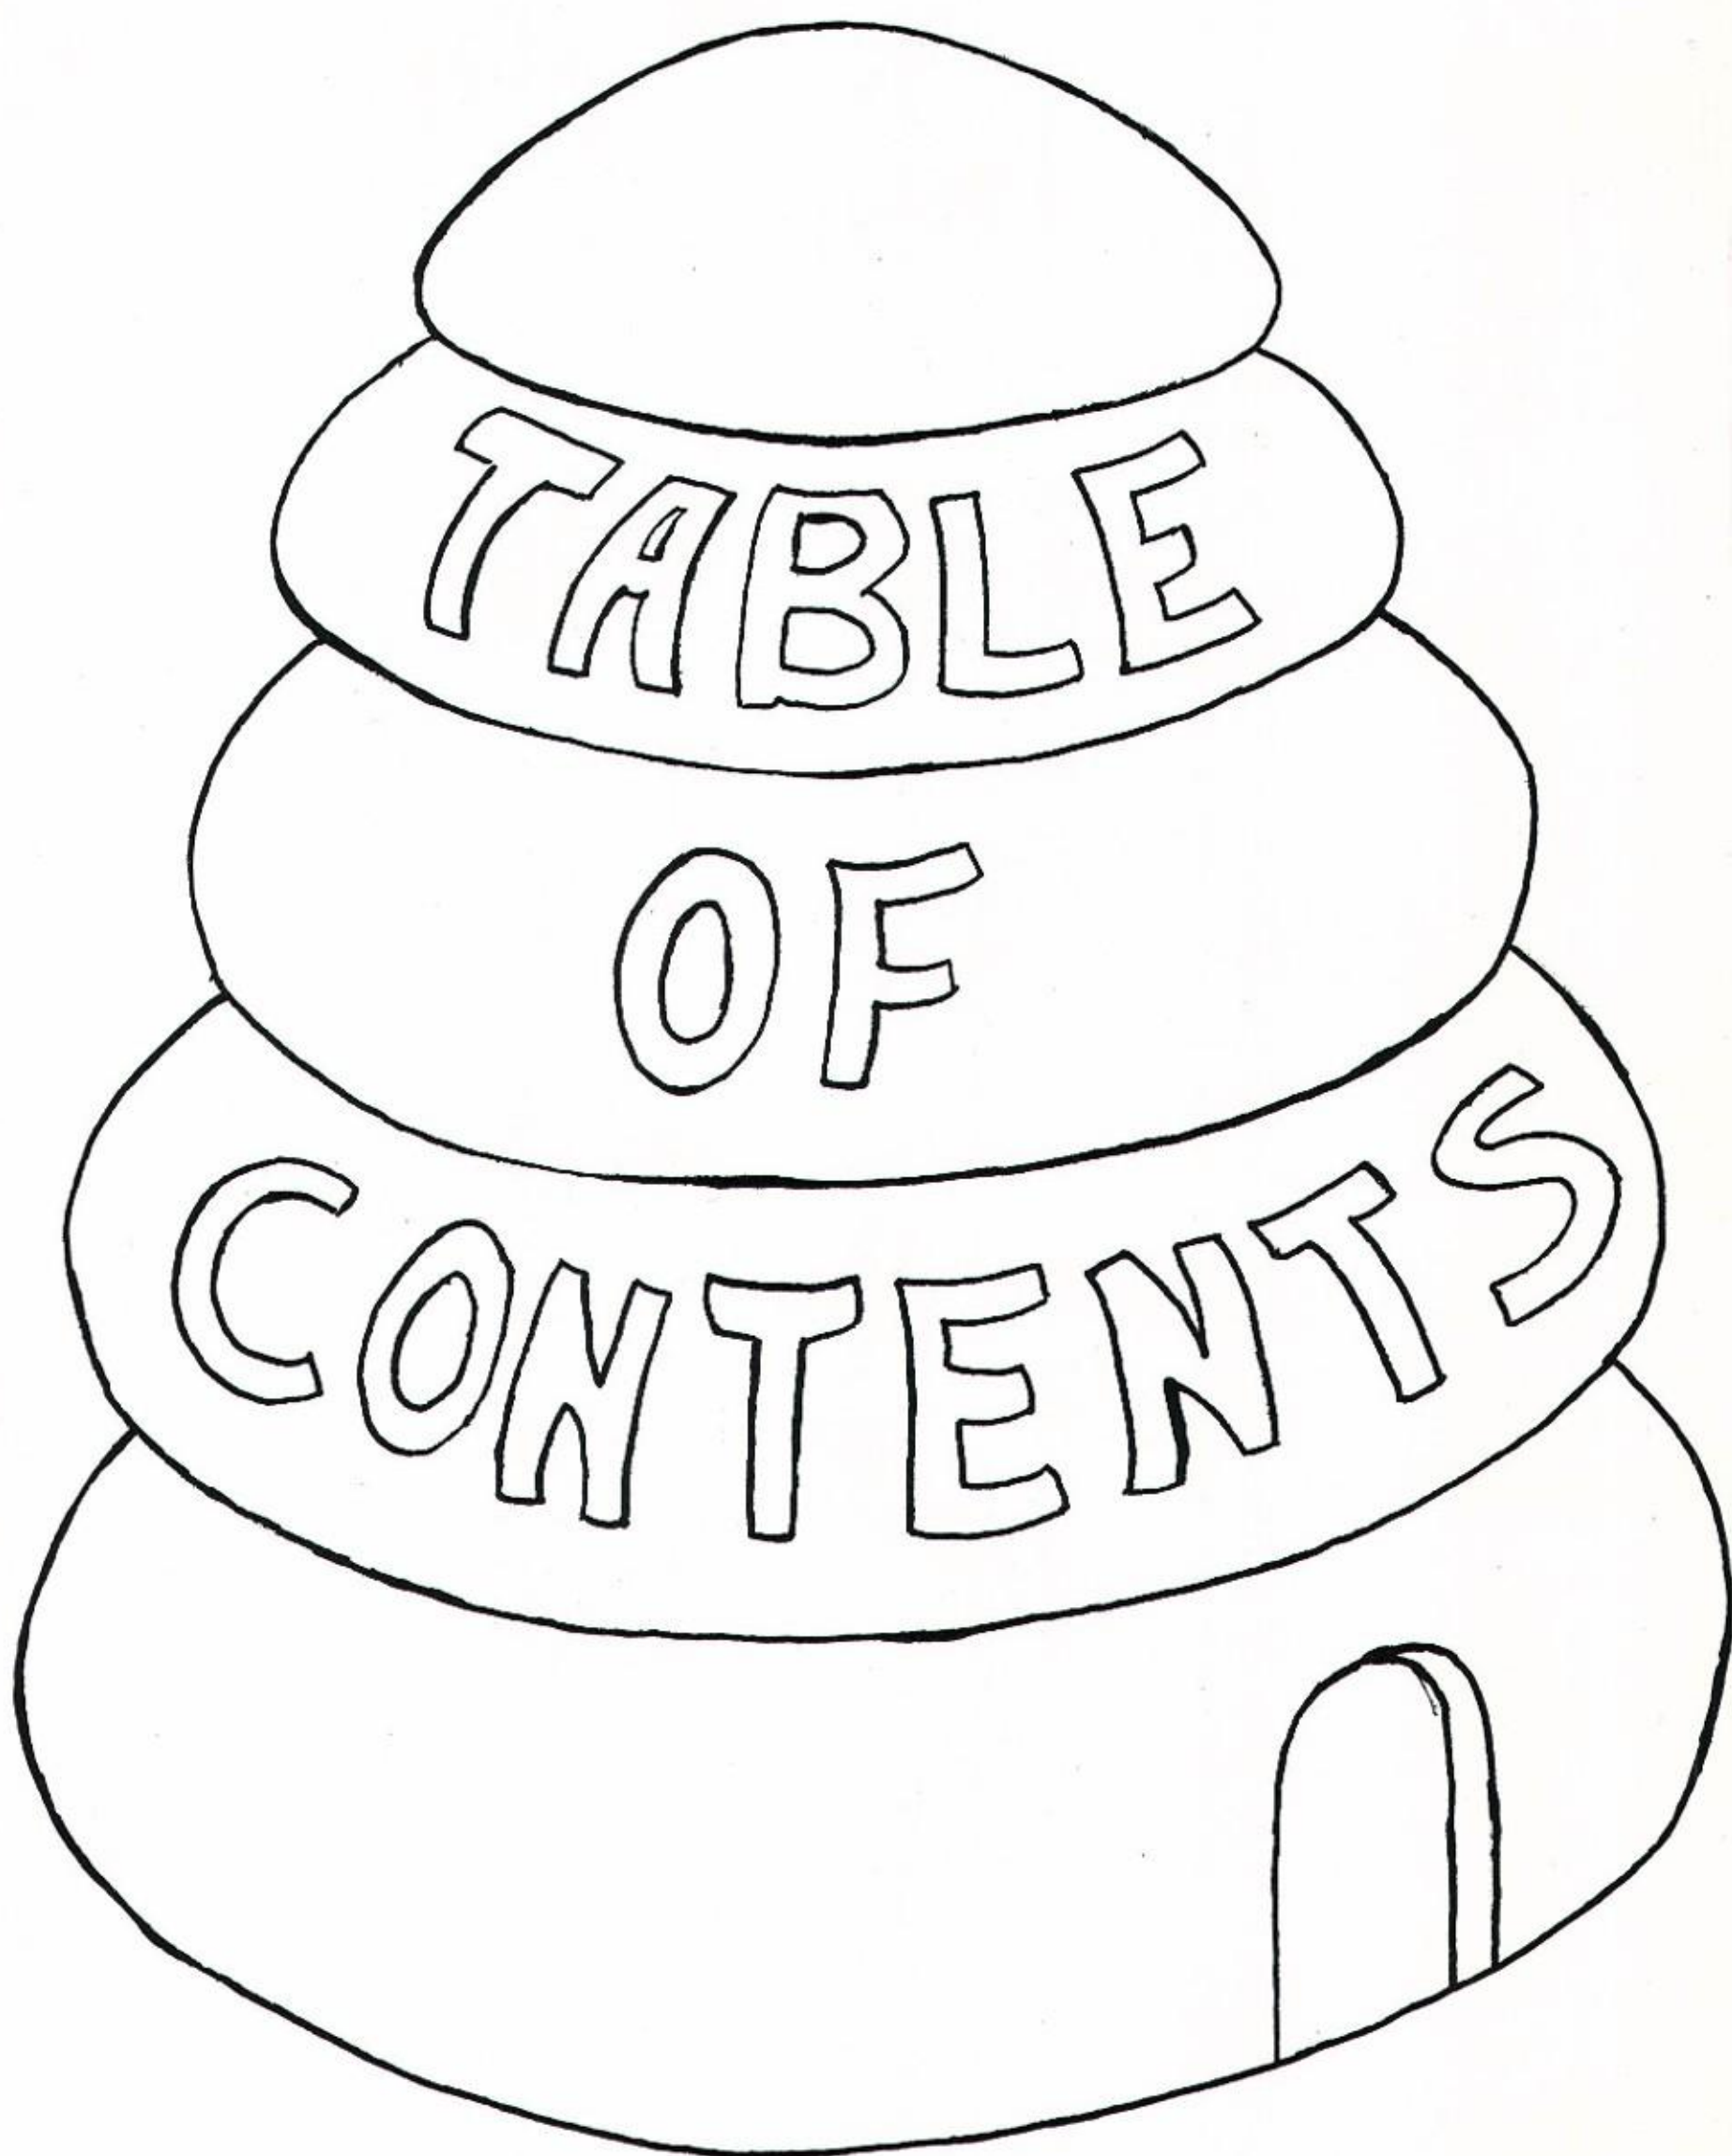

Welcome, world, to Tee Jay,
Come, take a look at me.
To the present I am hope,
To the future, destiny.

A hundred thousand footsteps
Have echoed in my halls,
And for every step a memory
Is held within my walls.

The tears and shouts that sound here,
The hopes and dreams that grew,
Are written in my very bricks
And I show them now to you.

So welcome, world, to Tee Jay,
Come walk a while and see
The story of the students
Who spend three years with me.

A great deal of planning, hard work, and team-work made the publication of this yearbook possible.

Because You Are Dedicated . . .

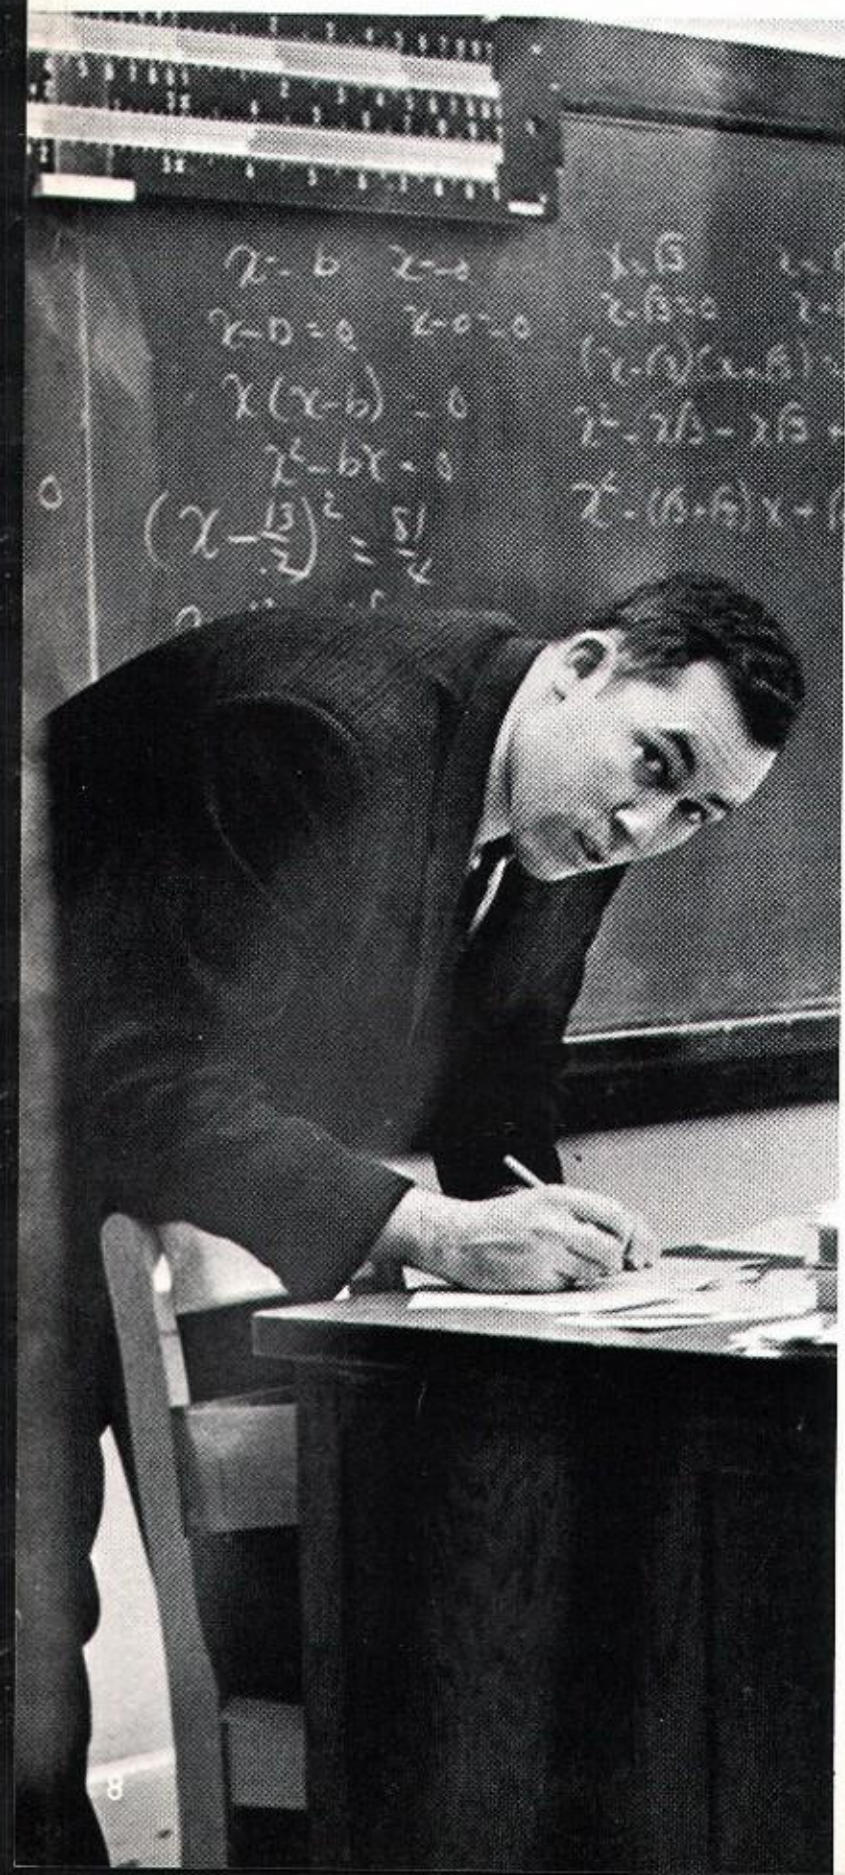

We dedicate this book to you Mr. Rosenthal. This is the 1966 Monticello staff's way of saying thank you for all the additional time and energy you have given in helping your students and the students of Tee Jay. You have gone beyond being just a teacher, you are also a friend to all who know you.

Your students leave Tee Jay knowing they have learned something; the members of the clubs of which you are a sponsor have a feeling of belonging; and those who see you at the sports and other extracurricular activities know that you care.

Being a teacher is a hard job in itself. Add to it being sponsor for the M. O. I. Club, co-sponsor of the National Honor Society, scorekeeper for the basketball games, and bowling on the teachers' bowling league and you have more than enough to keep anyone busy.

Mr. Rosenthal graduated from Creighton University in Omaha, Nebraska in 1962. He majored in math.

Remember when the National Honor Society members decorated your car with flowers three years in a row? Remember the faculty-varsity basketball games you have played in? Remember going clear to Kern field for the football games? Remember that "the squaw of the hippopotamus is equal to the squaw of the other two hides"? Remember the proud feeling as you watched your former students graduate?

To Show Our Appreciation

We, the 1966 Monticello staff, show our appreciation to you, Mr. Michael Gill, our sponsor. You have given invaluable service to us in the preparation of this annual. Constantly working, you have taken and finished pictures and given us advice concerning layout problems. Through you we have learned the necessary procedures to construct a good annual. You keep busy checking up on pictures, proofreading copy, making us meet deadlines, and many other tasks until the day the book is completed.

In addition to being our sponsor, you have also been assistant junior varsity football coach and are at present, a teacher of the long-forgotten language—Latin. So, speaking in your terms, "Benedicat te Deus!" (May God bless you.)

HAPPINESS IS . . .

. . . MEETING THE DEADLINE!

MRS. STRICKLAND

How do you put into a few short paragraphs everything a person has done in forty-four years of service for a school. A person like Mrs. Clara Strickland will always be remembered as the nucleus of Tee Jay. Mrs. Strickland came here in 1922 and right away became not just a history teacher, but a driving force in the school. In 1929 she founded the Sauganaugh History Club and in 1930 the Nu Omega Sigma Literary Society. During the 1950's she began the task of sponsoring the senior class. Mrs. Strickland also worked very hard and put out the first yearbook, sponsored Altav, and is celebrating the anniversary of her twentieth year as sponsor of the National Honor Society. Only devotion to her students could have kept Mrs. Strickland here, at Tee Jay.

Mr. Harold Jones has a way of putting his students at ease so that they can work up to their capabilities. Since he came to Tee Jay in 1934, he has prepared girls for excellent secretarial positions. We are sure Mr. Jones' former students will long remember him and all of Tee Jay will miss him.

MR. JONES

Miss Hazel Miller came here in 1925 as journalism instructor. Miss Miller was praised as "always ready and willing to help in any way she can to make the **SIGNAL** a better paper." In 1930 Miss Miller founded the Will Rogers Chapter, Quill and Scroll. As a journalism, history, and English teacher, Miss Miller will always be remembered.

SUPERINTENDENT

Mr. Mourer, superintendent of the Council Bluffs School System, has been working at full capacity for many years. He is deeply appreciated for his many hours of hard work and dedication.

ASSISTANT SUPERINTENDENT

Aiding Mr. Mourer is assistant superintendent, Mr. Jones. Everyone appreciates the work he has done in helping our school system run smoothly.

SCHOOL BOARD

L. to R.: Mr. Jack Peters, Mrs. U. J. Collignon, Mr. Lester Haas, Mr. William Cutler—Pres., Dr. Frederick Marsh, Mr. Richard Stouffer, Mr. Sam Brown—V. Pres.

Principal

Principal, Mr. Bernard U. Bolton, has been at Thomas Jefferson for nineteen years. He has been principal for the past fifteen years.

Much of his time has been devoted to making Thomas Jefferson one of the finest high schools in Iowa. Although his job is demanding, he seems to have time for everything. By doing this he has won the respect of both students and faculty.

Vice-Principal

Before becoming Vice-Principal of Thomas Jefferson, Mr. Steven Field taught biology for five years and was a boxing coach. Taking part in such matters as scheduling, guidance, discipline and records takes up most of his time. In his spare time he is dedicated to his prize-winning collies.

Mr. Miller is in charge of the adult education at Thomas Jefferson and this takes up most of his time. He belongs to eight teaching organizations and is an agent for the GED tests for adults. For enjoyment and relaxation he likes to go flying, hunting, deep sea fishing or water skiing.

The counseling center is one of the busiest places in Thomas Jefferson. The counselors do many things besides their regular duties of fixing schedules and school records and setting up a scholastic system.

Counseling

They are behind all testing programs such as the fall ITED tests, pre-college entrance exams, Preliminary-Scholastic-Aptitude Tests (PSAT), and the American College Test (ACT), which is given on two different days. They visit with the counselors from various colleges, instruct students in preparing their high school program prior to college and determine scholarships for the students.

Besides being the guidance director for Thomas Jefferson, Miss Grubb is very active in the community. She is on the Pottawatomie county board of TB and Health Association, a member of the Altrusa club, sings in the church choir, and for relaxation she enjoys concerts, reading and listening to music.

Mrs. Springer and Mrs. Beckman are the secretaries in the counseling center and are always ready and willing to help with any problem that might come up.

The counselors also figure the students' grade point averages for the records and senior class rank. If you want a good job, the counseling center is the place to go, for they can give your would-be employer a recommendation.

Center

Besides all this our "custodians of the records" have to keep up to date every year on the ever changing vocational material in all fields and the changing requirements of colleges and universities, and prepare thermofax copies of the students' records for jobs and college entrance.

When he isn't being a counselor, Mr. La-Mantia is in charge of the boys golf team in the spring and is co-sponsor of the M.O.I. club. For relaxation he enjoys bowling, hunting, or fishing. In the summer he can be found spending his time in California. He is a member of the Lion's club and music is his hobby.

Secretaries

Keeping the office running smoothly is the job of Mrs. Beck. She takes care of registration, calls substitute teachers, makes out the faculty payroll, and is Mr. Bolton's secretary. Also Mrs. Beck is one of T. J.'s most avid sports enthusiasts. We appreciate her interest in the many activities of the students, both in and outside of school.

Very busy is Mrs. "Peg" Friedrich. Her job is to manage all school funds by paying bills, keeping the accounts of our clubs, and making a detailed report to the Board of Education every month. This is Mrs. Friedrich's first year as an office secretary. For nine years she worked in T.J.'s cafeteria. Keeping up with her two teen-age daughters takes up most of Mrs. Friedrich's time at home.

"Do you have an excuse?" is a common phrase heard from Mrs. Bentlage, who has served T.J. for twelve years. Taking care of the attendance is a big job and Mrs. Bentlage is very efficient at this task. In her spare time she likes to read, especially historical books.

Tee Jay Cooks

These capable ladies are our Tee Jay cooks. They prepare the food that we eat in the cafeteria. The day begins for each of them at seven thirty a.m. and ends at approximately three in the afternoon. Cooking for fourteen hundred students and faculty members is a large job and everything must be prepared in great quantity. We all thank these ladies for their work and for the meals they prepare for us each day.

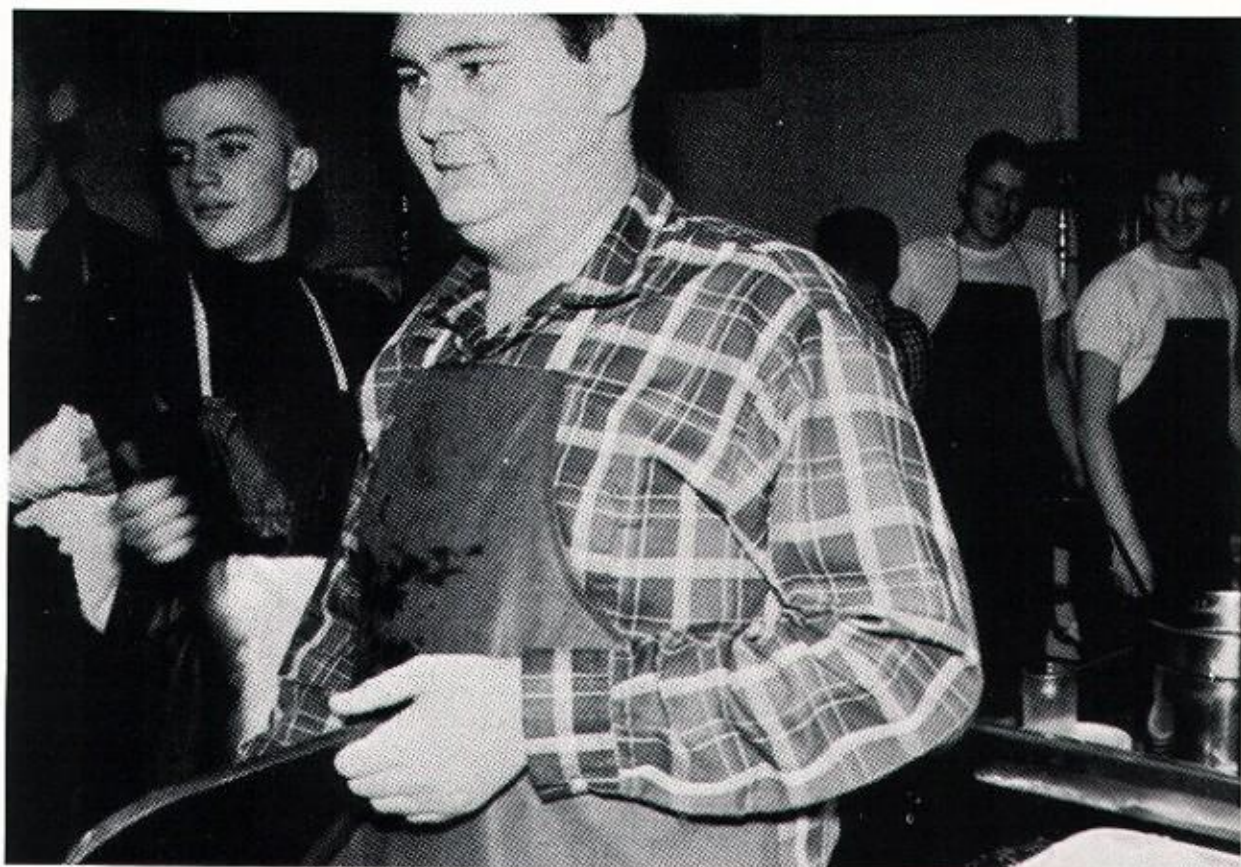

Taking time out, these cashiers are: Kathy Rolfe, Linda Kindberg, Pam Nelson, Charlotte Gray, Linda Lydon, and Pam Lee.

These six girls keep the lines moving smoothly by coping with students buying cartons of milk with large bills, those buying enough food for ten other people, and those interested in getting just the correct number of calories. A great amount of patience and courtesy is used and the students can often be heard voicing their appreciation to the tune of clattering dishes.

Cafeteria Workers

Aside from an occasional vacation when someone drops and breaks a dish, the boys working in the cafeteria are kept busy all of fourth period. These boys get to tackle that ever-growing pile of trays, keep clean dishes available, and assist the cooks.

Performing their various tasks, these boys are: Mike Jones, Paul Beckman, Lynn Madsen, David Points, Glen McLean

Keeping the school in order is their main objective. Betty LeMaster leads the parade. **Left to Right.** Carl Millér, Pat Kilbane, C. J. Hackley, Jeff Cox, Glen Birdsong, Sam Carrubba, and Betty Le Master.

Custodians Use Teamwork to Dust, Sweep, Scrub.

Dusting lockers, cleaning classrooms, doing minor repairs are some of the duties of Tee Jay's Custodian Staff.

Keeping the school clean is a big task, but Tee Jay's custodians manage to get the job done. Can you imagine cleaning up after more than 1,500 students?

Office Workers

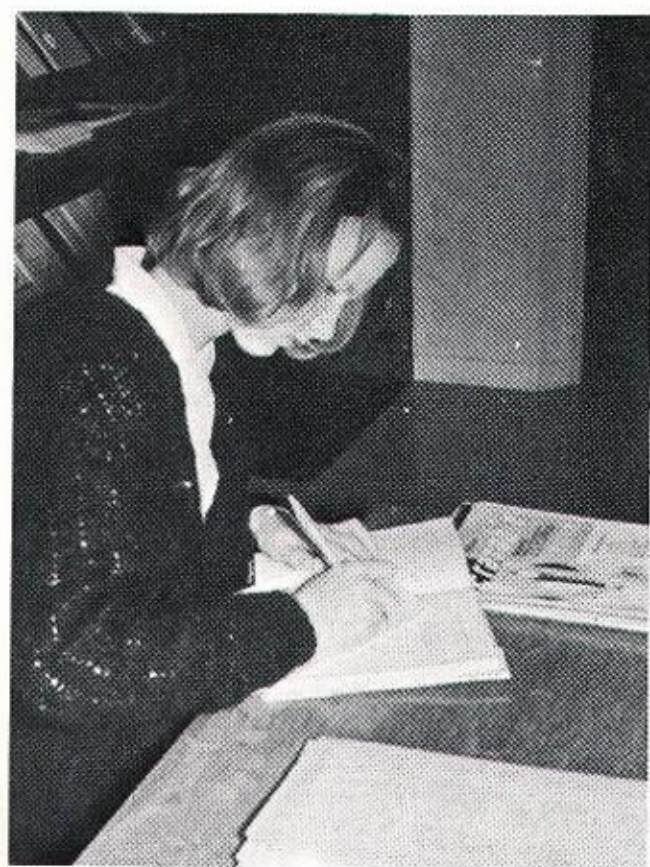

Sandi Adamson, Cheryl Smartt, Nancy Anderson, Donna Foley, Vickie Drake, Judy Moore, and Susie Friedrich (not pictured) spent many hours working in the main office typing tests and running them off for the teachers.

Judy Moore assists Mr. Kenneth Hawkes.

Counseling Center

Stella Anderson worked for Mr. Wally Miller, one of our capable counselors.

The girls in the counseling center helped Mrs. Springer and the counselors an hour each day. They were kept busy by assisting with the enrollment cards, helping students locate college and vocational material, running errands, and answering the telephone.

Left to Right: Mary Hartman, Linda Duitman, and Marsha Griffiths.

Attendance Office

Distributing absence lists; filing excuses and cards; running errands; and answering the telephone were the many jobs performed by the attendance girls. These girls worked each day during their study periods to gain experience in general office procedures.

Production

The production girls help teachers by running off tests on the mimeograph and duplicating machines. Production is sponsored by Mr. Joseph Bartlett. **Left to Right: Row I:** Diane Camden, Marcia McMullen, and Donna Himberger. **Row II:** Charlotte Montgomery, Paula Nicholos, Cheryl Smyth, and Connie Ackerman.

Council

This year the student council members were elected on an entirely new basis. Rather than having a representative from each home room, the school is divided into districts and two people are elected from each district. There are thirteen districts giving 26 Council members. The candidates campaigned and made speeches within their districts until voting day arrived. Students then voted for the person of their choice.

The Student Council, sponsored by Mr. Ward Bean, holds the Sno-Ball dance each year. Contrary to tradition, it was changed from a semi-formal dance to a dressy skirt and sweater dance, and it proved to be a great success. The Twirp Week dance was also sponsored by the Student Council. A new innovation at the Twirp Week dance this year was a contest to determine the boy with the prettiest legs.

Debbie Harrill and Greg Mann help decorate the fieldhouse for the dance.

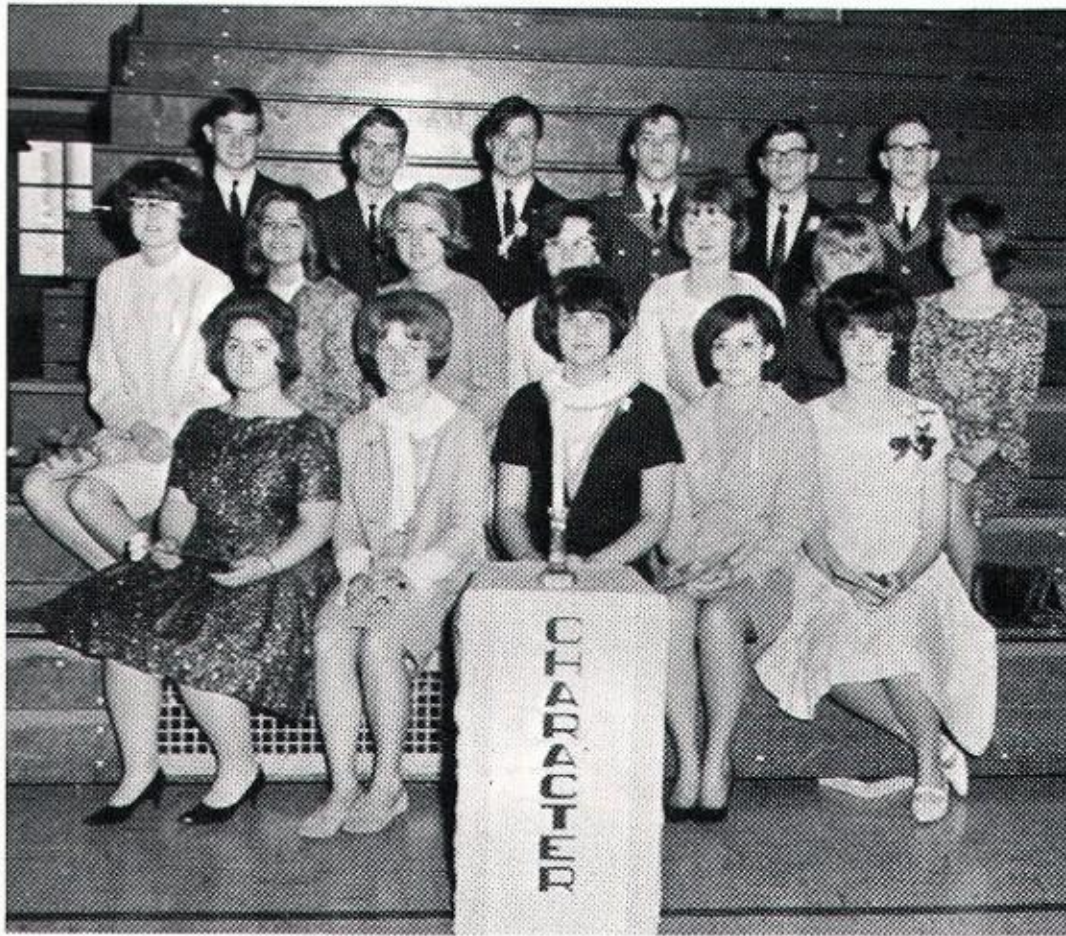

Probably the most muscular legs of the court were those of Bob Case.

The winner then received as a grand prize—a garter! One of the other activities of the group is sending flowers to students who are in the hospital.

The main purpose of the Student Council is to strive for a better school for both the students and the faculty. One of the most pressing problems that they are trying to solve is the condition of the student parking lot. They hope to have it paved or blacktopped sometime in the near future.

The Junior Red Cross is a benefit to Thomas Jefferson and a reflection of the Tee Jay students. Connected with the city Red Cross Office downtown, the club members work for the purpose of giving a little

They helped buy materials to pack one hundred gift boxes to send overseas, packed Thanksgiving baskets for

the needy, and collected \$83.33 from homerooms in their membership drive. The Red Cross members are rewarded with the knowledge that they were generous enough to give of themselves to help others who were less fortunate.

Creative Writing

Creative writing is a class for students interested in writing as a career or a hobby.

During the first semester they wrote short stories, descriptive essays, and other prose pieces. They also wrote and studied poetry; the main types being classical, semi-classical and free verse. The second semester was very tedious but rewarding as each student was required to write a novel.

The fine work of the creative writing class is exhibited in their book called **Light in the Window**; the subtitle being Rooftop Anthology.

Art Club

The Art Club this year had many projects, the most outstanding one being the Glenwood project. Students from various schools in the area went to the Glenwood state school and painted various colored cartoon pictures on the walls for the patients. Besides this they went on an art trip to Cedar Falls, Iowa, for an art fair.

Debate

This year was an active and profitable one for the Tee Jay debaters as they participated in various contests in the Nebraska-Iowa locale. Taking affirmative or negative views, the students clashed on the 1965-1966 official topic, "Resolved: that the Federal Government should adopt a program of compulsory arbitration in labor management disputes in basic industries." A highlight of the debate season was the winning of two first place trophies on October 9 at the Hawkeye Tournament, Harlan, Iowa. Maurice Goldenburg, Doug Rasmussen, Gloria Purnell, Kathy Sheely, Joel Myklebust, Bill Russell, Kay Young, and Evelyn Gibbs were the winning teams.

Besides their regular Metropolitan League and other area debate tournaments, the group also became involved in other types of speech events. Several copped first, second, and third place ribbons at Creighton Prep Speech Meet and Dick Purnell placed second in the American Legion Oratory Contest.

Students of competitive speech look forward to an eventful and beneficial 1966-1967.

Print Club

The Print Club at Tee Jay is active with many assignments. They print not only the bi-monthly Tee Jay **Signal**, but also the Abraham Lincoln **Echos**. They design and print the programs and advertizing posters for all the school plays and musicals presented by both schools.

Because of their many hours of work, which are beneficial to so many students and faculty members, this club is a credit to Tee Jay.

The science club is comprised of people sharing a common interest, science. The club is an affiliation with the JETS—Junior Engineering Technical Society, and among other projects they collected Butternut coffee strips at Christmas. They had many speakers come to talk to the group and they also sponsored the district Engineering Aptitude Test. The club was sponsored by two science teachers, Mr. Richard Ortey and Miss Agnes Spera. Officers of the club included:

This year the French Club was very busy with a wild initiation party at Mrs. Gillespie's; potluck at Laura Waugh's, with Sue Crenzer of Omaha U. speaking to them about her two months in India with the Experiment in International Living; Christmas carolling, in French, at the homes of five French speaking families in Council Bluffs; an evening meeting in February, Mrs. Fellman of Central High, Omaha, talked to them in French about her trip to France. She covered the same route as used in the students film text; a French art tour of Joslyn Memorial in April, conducted in French by a native Frenchwoman guide; and the annual steak-fry held in May.

Library Club

The Library Club has had parties with several of the surrounding schools. Miss Morris, our librarian, feels that this shows cooperation between the girls, the librarians, and the library assistants. The club celebrated many of the holidays with parties, entertained the new members with a party at the beginning of the year, and held the usual potluck supper for the club members' mothers.

These girls are members of a service club. They help not only the students, but many of the faculty members. The help they give is enjoyed by everyone. This year the club is selling plastic paper binders as their annual sales project. The club is looking forward to having many new sophomore members next year.

The Future Homemakers of America Club is composed of girls sharing an interest in the home and their future as Homemakers. The club goes to a district and state convention and they have various parties and projects throughout the year. The officers of the club include:

This year's Future Nurses Club is a charter member of the National Future Nurses Clubs. This is the first year the club has had a national affiliation.

The club's only qualification for membership is a genuine interest and a desire to belong. All the girls who are Candy Strippers at the local hospitals are urged to join this club. The girls have had speakers, gone on tours of some of the local hospitals, and help with many of the civic projects.

These girls have combined fun and usefulness in their organization. The election of officers is held each spring before school is out and the initiation is held the following spring for all the new members.

The Future Teachers of America, this year under the direction of Mr. Crumley, placed much emphasis on education.

The club's interest led its members into the educational fields of instruction and supervision.

Young Democrats

The Teen Democrats, Sponsored by Mr. "Eddy" Bremmer, had several exciting events during the past year. In conjunction with the Young Democrats, an original organization of past high school democrats, the 'Teen Demos' helped at county democratic dinners, rummage sales, and party breakfasts. The 'Teen Demos' Christmas party, at President Gib Klefstad's house, had a few uninvited guests from the "other party." Needless to say the other party members were not quite the same when they left!

Even though this was not a presidential election year the teenage republicans were not idle. Sponsoring letters from TeeJay students to soldiers in Viet Nam, working jointly with A.L. on a float for the Memorial Day Parade and participating in America's Train and Trucks Christmas Program have been some of the activities of the club. One of the most enjoyable, however, was attending a dinner in Des Moines for Jack Miller, who was running for the senate.

The Wrestling Club was founded for boys who have participated in wrestling for at least one year. Its purpose is to raise money to buy new equipment for the wrestling team, and to charter buses for trips that the wrestling team makes during the year. Also, it provides a basis for a way to better Tee

Jay's wrestling, and it teaches sportsmanship to the athletes.

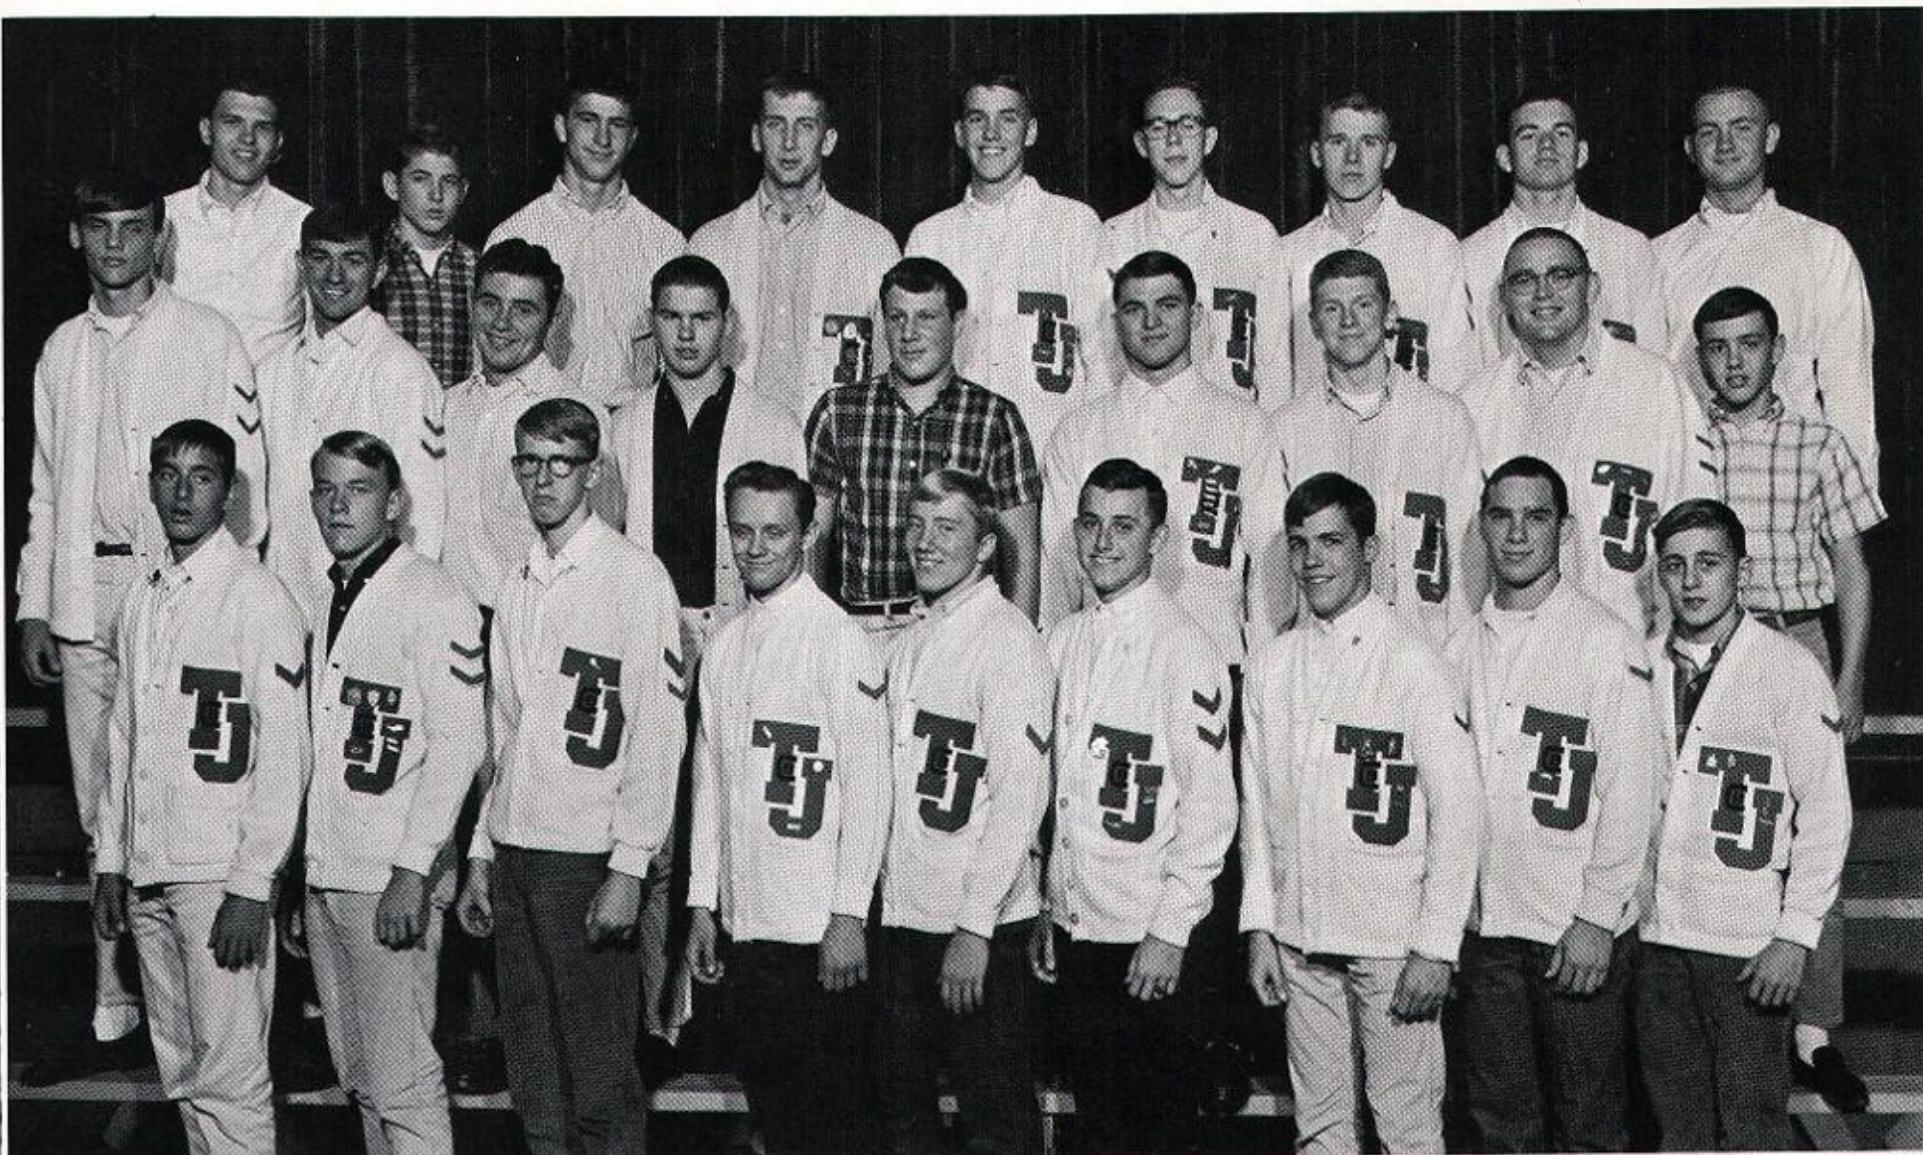

The wrestling club is one of the finest organizations in the school. Each boy owns a black blazer with the club insignia, which is shown above.

Choir

The Tee Jay Acappella Choir started the year by welcoming a new director—Miss Karen Jensen.

The choir performed for the Road Show; auditioned seven quartets for all state clinic; and sang the "Many Moods of Christmas" for Rotary, Sertoma, Business and Professional Women, and student body. Madrigal singers under the direction of Mr. Kenneth Hawkes entertained civic and church groups. The girls trio and triple trio under the direction of Miss Jensen performed for various clubs. The choir then closed with the annual City Wide Festival.

The rest of the year was spent preparing for the musical, "Once Upon A Mattress", presented May 6 and 7.

Judging from complimentary remarks, members of the choir had a very successful year.

Choir director—
MISS KAREN JENSEN

Assistant director—
MR. KENNETH HAWKES

Madrigal

Madrigal is a traditional singing group at Thomas Jefferson and many other schools in the country.

Since this group is small, auditions are held to pick only the very best voices. The voices of these students will represent our school and vocal department many times during the year.

Bottom to Top—L. to R. Judy Duke, Deanne Hansen, Peggy Anfinson, Judy Olsen, Jo Ditzler, Jane Rasmussen, Linda Holder, Jo Ellen Henry, Candy Smith, B. Bryant, B. Bingham, R. DeBar, C. Hale, B. Ford, G. McTwigg, J. Moats, J. Stinkie, D. Hardiman

Mr. Hawks, the leader of this group, has worked hard to form these individual voices into a single, well-formed group. He and the young men and women in this fine group want to be ready for any performance, and they have many such performances to give.

They have sung for such organizations as: Sertoma, Kiwanis, Women's Clubs, Mariners Club, Welcome Wagon, Altrusa, Rotary, and also they performed on KMTV. The Madrigal singers have done an excellent job of representing our school.

Boys' Glee Club

The Boys' Glee, under the direction of Mr. Kenneth Hawkes, was a rapidly improving group this year. With the advent of the second semester the membership of the Boys' Glee grew and many helpful voices were added to its ranks. At state music contest this year a combined Boys' Glee, consisting of the regular glee plus some members from Choir, earned a "one" or superior rating for the songs it presented. The judges there said that the Tee Jay boys' glee was the best group of its kind in the state of Iowa.

One of the many activities of the Girls' Glee, under the direction of Miss Karen Jensen, was appearing in the annual Road Show at TeeJay. They hit the stage with pep and spirit singing "You've Gotta Be a Football Hero". They were competently assisted by the Boys' Glee Club.

The combined Glee's outsold both the choirs in the Music Department candy-bar sale.

Hard work and practice helped to make this year's band one of the best yet. Everyone cooperated in giving the annual concerts, performing at the football games, and playing at the state music contest. Because of the band's poor financial situation, most of the band members joined in selling magazines, candy, and raffle tickets to earn enough money for a band trip. The Band Parents deserve much of the credit for the money which was raised.

Pep Club

This year the Pep Club made new uniforms, consisting of a two piece, black wool outfit worn with a white blouse and gloves. Points were given to each girl for the games she attended. Pep Club made a beautiful float for Homecoming and was responsible for the decorations on the football field at our games.

Spirit All the Way

The cheerleaders at Thomas Jefferson were chosen in the spring of the year by the coaches and 25 other members of the faculty. They are judged on enthusiasm, skill, poise, personality, appearance and character. Out of twelve girls chosen, the six with the most votes are Varsity and the next six are Junior Varsity.

The officers for the nineteen cheerleaders are:

President	Carol Lindsay
Vice-President	Beckie Young
Treasurer	Linda Kindberg
Secretary	Kitty Koch

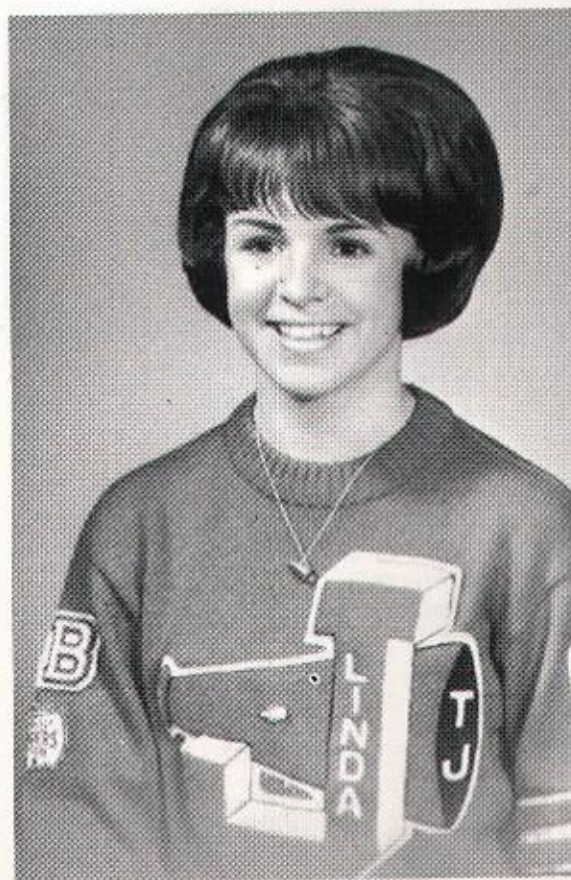

Last summer our Varsity Cheerleaders attended Cheerleaders Clinic at Northwest Missouri State College in Marysville, Missouri. For one week the girls learned the many skills of being a cheerleader. The squad won three first place ribbons in daily competition and won second place awards on the final day when competing with over sixty-five schools.

This year the girls were involved in a three week bowling and volleyball tournament. Next came a Powder Puff Football Derby with the Lewis Central girls. GRA also sponsored cookouts, campouts, and sledding parties. Miss Donna Balzer is the sponsor of this group.

The gym staff, sponsored by Mrs. Kelker, helps with attendance, office work, and physical education equipment.

AFS

The purpose of the American Field Service Club is to sponsor foreign exchange students to and from other countries. They have raised spending money for the exchange students by having a popcorn sale and co-sponsoring the TJ-AL faculty basketball game with AL's AFS Club. Exchange students from Germany, Norway and Peru spoke and showed slides at meetings. The members also attended a reception for the three city exchange students at the Elks Country Club.

Prince Dauntless & Princess Winifred

After long and hard rehearsals every day after school directed by Karen Jensen and R. H. Randers, this year's musical, "Once Upon a Mattress" proved to be a great success. The water drenched moat swimmer, Princess Winifred, played by Peggy Anfinson, was the leading role. Prince Dauntless, played by Chet Gallager, is looking for a wife, but his mother the Queen, portrayed by Linda Holder, sets up impossible tasks for any girl who wishes to marry the prince, one of whom is Winifred. Carl Mobly as King Sextimus the silent King who manages to keep things in an uproar in the Kingdom of Burgandy. One of the Queen's ladies in waiting played by Eva Paladino, is in love with a Knight, Sir Harry, played by Bob Bryant, but they cannot wed until Dauntless takes a wife.

Jester, King Sextimus

The story is told by the minstrel, Jim Moats and the jester, Mickey Forcade, who adds life to the palace.

The choreographer and court dancer was Judy Moran who soloed to "Many Moons Ago" and danced to the "Spanish Panic" with the other dancers. The one who put in many hours of hard work was Nancy Simons, the Student Director.

"Once Upon a Mattress" was one of the most enjoyable and fun filled musicals Tee Jay has ever had.

Some thirty years ago a most revolutionary play entitled "Our Town" made its first appearance. With its expressionistic overtones in which characters spoke their thoughts to the audience, the disregard for time, the lack of scenery and the character of the Stage Manager, it indeed became a contemporary play of the day.

"Our Town" brings back memories to us that are found in the daily routine of living—the wedding, the funeral, and all that was good and wonderful about life as children and adults. "Our Town" takes a long look at life and finds it not just good, but even wonderful and uplifting.

The 1966 Junior-Senior Prom was presented at Peony Park on April first. The doors were opened to the guests at eight P.M. Lively dance music was provided by Mal Dunn and his orchestra.

At ten o'clock the evening was highlighted by the coronation. The couples on the Prom Court were announced; then they walked around the ballroom floor and assembled in front of the stage. Jay Malone was crowned King and then he crowned his Queen Nancy Moore. Prince Tim Bond and Princess Linda Kindberg completed the Royal Court. The court couple then danced to the music of "Moon River".

APRIL

GARDENS

The ballroom itself was interestingly and attractively decorated. On the front of the stage was a twelve-foot-long flame-red dragon. Near it was an unusual vehicle called a Pedicab. This was rented by the school from Bradley's Flower Shop and was originally bought and shipped from Taipai, Taiwan.

The Senior class colors of Sapphire blue and silver were beautifully represented by the covers of the Programs. The girls received Japanese fans as favors. The Prom was a tremendous success and the outcome gave a sense of pride to all who had a part in its preparation. The evening of April 1, 1966, and the Junior-Senior Prom will be remembered by all for many years to come.

Eleven lovely girls, selected by the Thomas Jefferson student body, made up this year's homecoming court. They showed their vibrant school spirit all through the Friday morning pep rally, where they were introduced to the students and faculty, and through the parade on Saturday.

Beginning with the presentation of the court, the half-time ceremonies were concluded with a fireworks display.

Snoball 1965

This year for the first time the Christmas semi-formal was turned into a semi-casual dance.

It was held in the field house on December 23. This dance is the major money-making project of the Student Council. Many members of the Student Council arrived early on the morning of the dance to decorate the field house in the theme of Santa's Workshop. On the stage they erected a scene of Santa working with his elves on many colorful Christmas presents. A false ceiling effect was created by twisting crepe paper over a wire running the length of

the gym. To the surprise of many students, and the decorating committee, the ceiling drifted mysteriously to the floor in the middle of the dance.

Refreshments were served by several students. The refreshments consisted of small crackers and varied types of cheese dips. A delicious punch was also served.

The Coachmen, a combo from Omaha, was a major factor in the success of this annual event. Many students from other schools attended our dance because of the exceptional talents of this group.

T J A GO - GO

Tee Jay's '66 Road Show has lots of action ... with fast moving boys ...

and fast moving girls.

SHOW

School Spirit adds spice to show.

Everyone wants to be a football hero—even the girls

The Thomas Jefferson Road Show for '66 was a great success. It was enjoyed by all who attended and by all the students that participated in the show. The theme was "Tee Jay a Go-Go," but the acts were of many varied kinds. The music department added a great deal to the show with many smaller singing groups plus the ever popular choir. Dances filled the program as our senior and junior dance lines gave their best for a successful show. The dances varied from the Monkey, Jerk, Swim, and Alligator to modern jazz and even a dancing bull. Many skits were presented for the audience and were welcomed with applause. Some of Tee Jay's school spirit even came into the show with the Varsity Cheerleaders and a spirited song by the Girl's and Boy's Glees.

Varsidettes

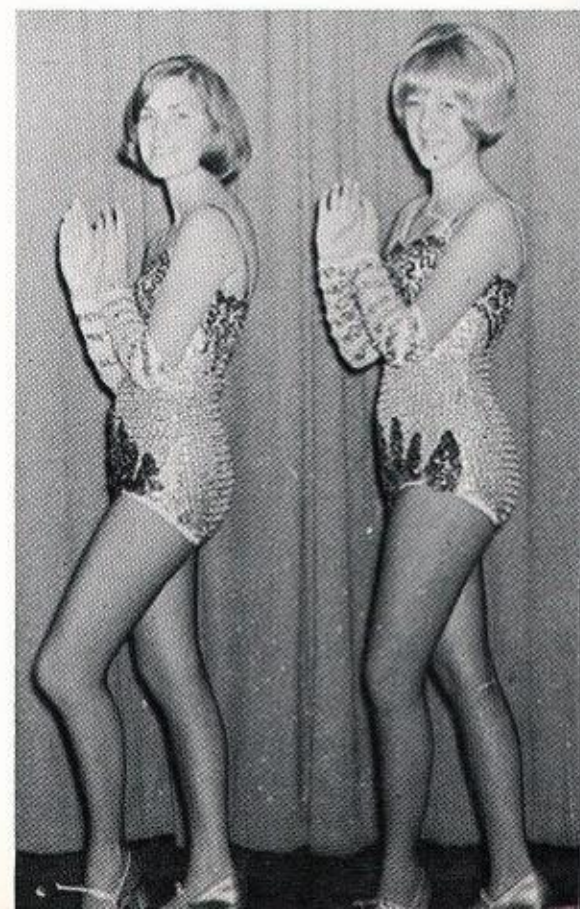

This year the Varsidettes provided some talented dances for the TeeJay Roadshow. The variety included tap and jazz numbers. Ending the show with a bang, the Varsidettes suddenly changed into go-go girls to give the program a touch of the latest teenage dances. Shaking to the beat of the Statures, TeeJay's own combo, they danced the Watusi, the Swim, the Jerk, and the Alligator.

Choreographer: Judy Moran
Assistant: Pat Falconer

Judy Moran, this year's choreographer, worked endlessly to make the senior danceline an unforgettable one. Judy, a junior, taught them two days every week this summer.

Pat Falconer, the assistant choreographer, aided Judy in teaching the dances and kept things in order and running smoothly.

Yellowjackettes

The "younger set," but just as talented, is the junior danceline the Yellowjackettes. A modern tap dance to an old song "Down By the Riverside" was performed by them early in the Roadshow and later, a fast-moving jazz number to "Drum City" caught the viewer's eye.

The junior and senior girls tried out for acceptance in the dance-lines last May and twenty-five were chosen altogether.

Practicing and making their costumes filled the girls' schedules during the summer. All their hard work and tireless efforts paid off with their delightful performances.

Military Ball

The 37th annual Military Ball was held March 25 in the Thomas Jefferson Fieldhouse. The main event of the evening was the presentation of the sabre by Cadet Sgt. Dan Thomas to Cadet Colonel Dick Oshlo and a bouquet of red roses was presented to Honorary Colonel Eva Paladino by Debbie Jo Smith.

The ball was opened by a four number program presented by the Tee Jay band. The choir entertained with selections from "My Fair Lady" and "In the

Still of the Night". After Principal Bernald Bolton welcomed the guests, Russel J. Mourer, Superintendent of Schools, addressed them.

A routine was presented to the gathering by the ROTC Drill Team under the command of Cadet Captain Leslie Downing.

The theme of this year's Military Ball was "We March On".

The three top ranking officers and their ladies for the evening were First Battalion Commander, Lieutenant Colonel Alan Holmberg and Sharon Duitman, Brigade Executive Officer, Lieutenant Colonel Alan Schroder and Pam Poulos, and Second Battalion Commander, Lieutenant Colonel Jim Grazier and Carol Lindsay.

Military Police

The Thomas Jefferson Military Police squad is one of the busiest parts of the ROTC program.

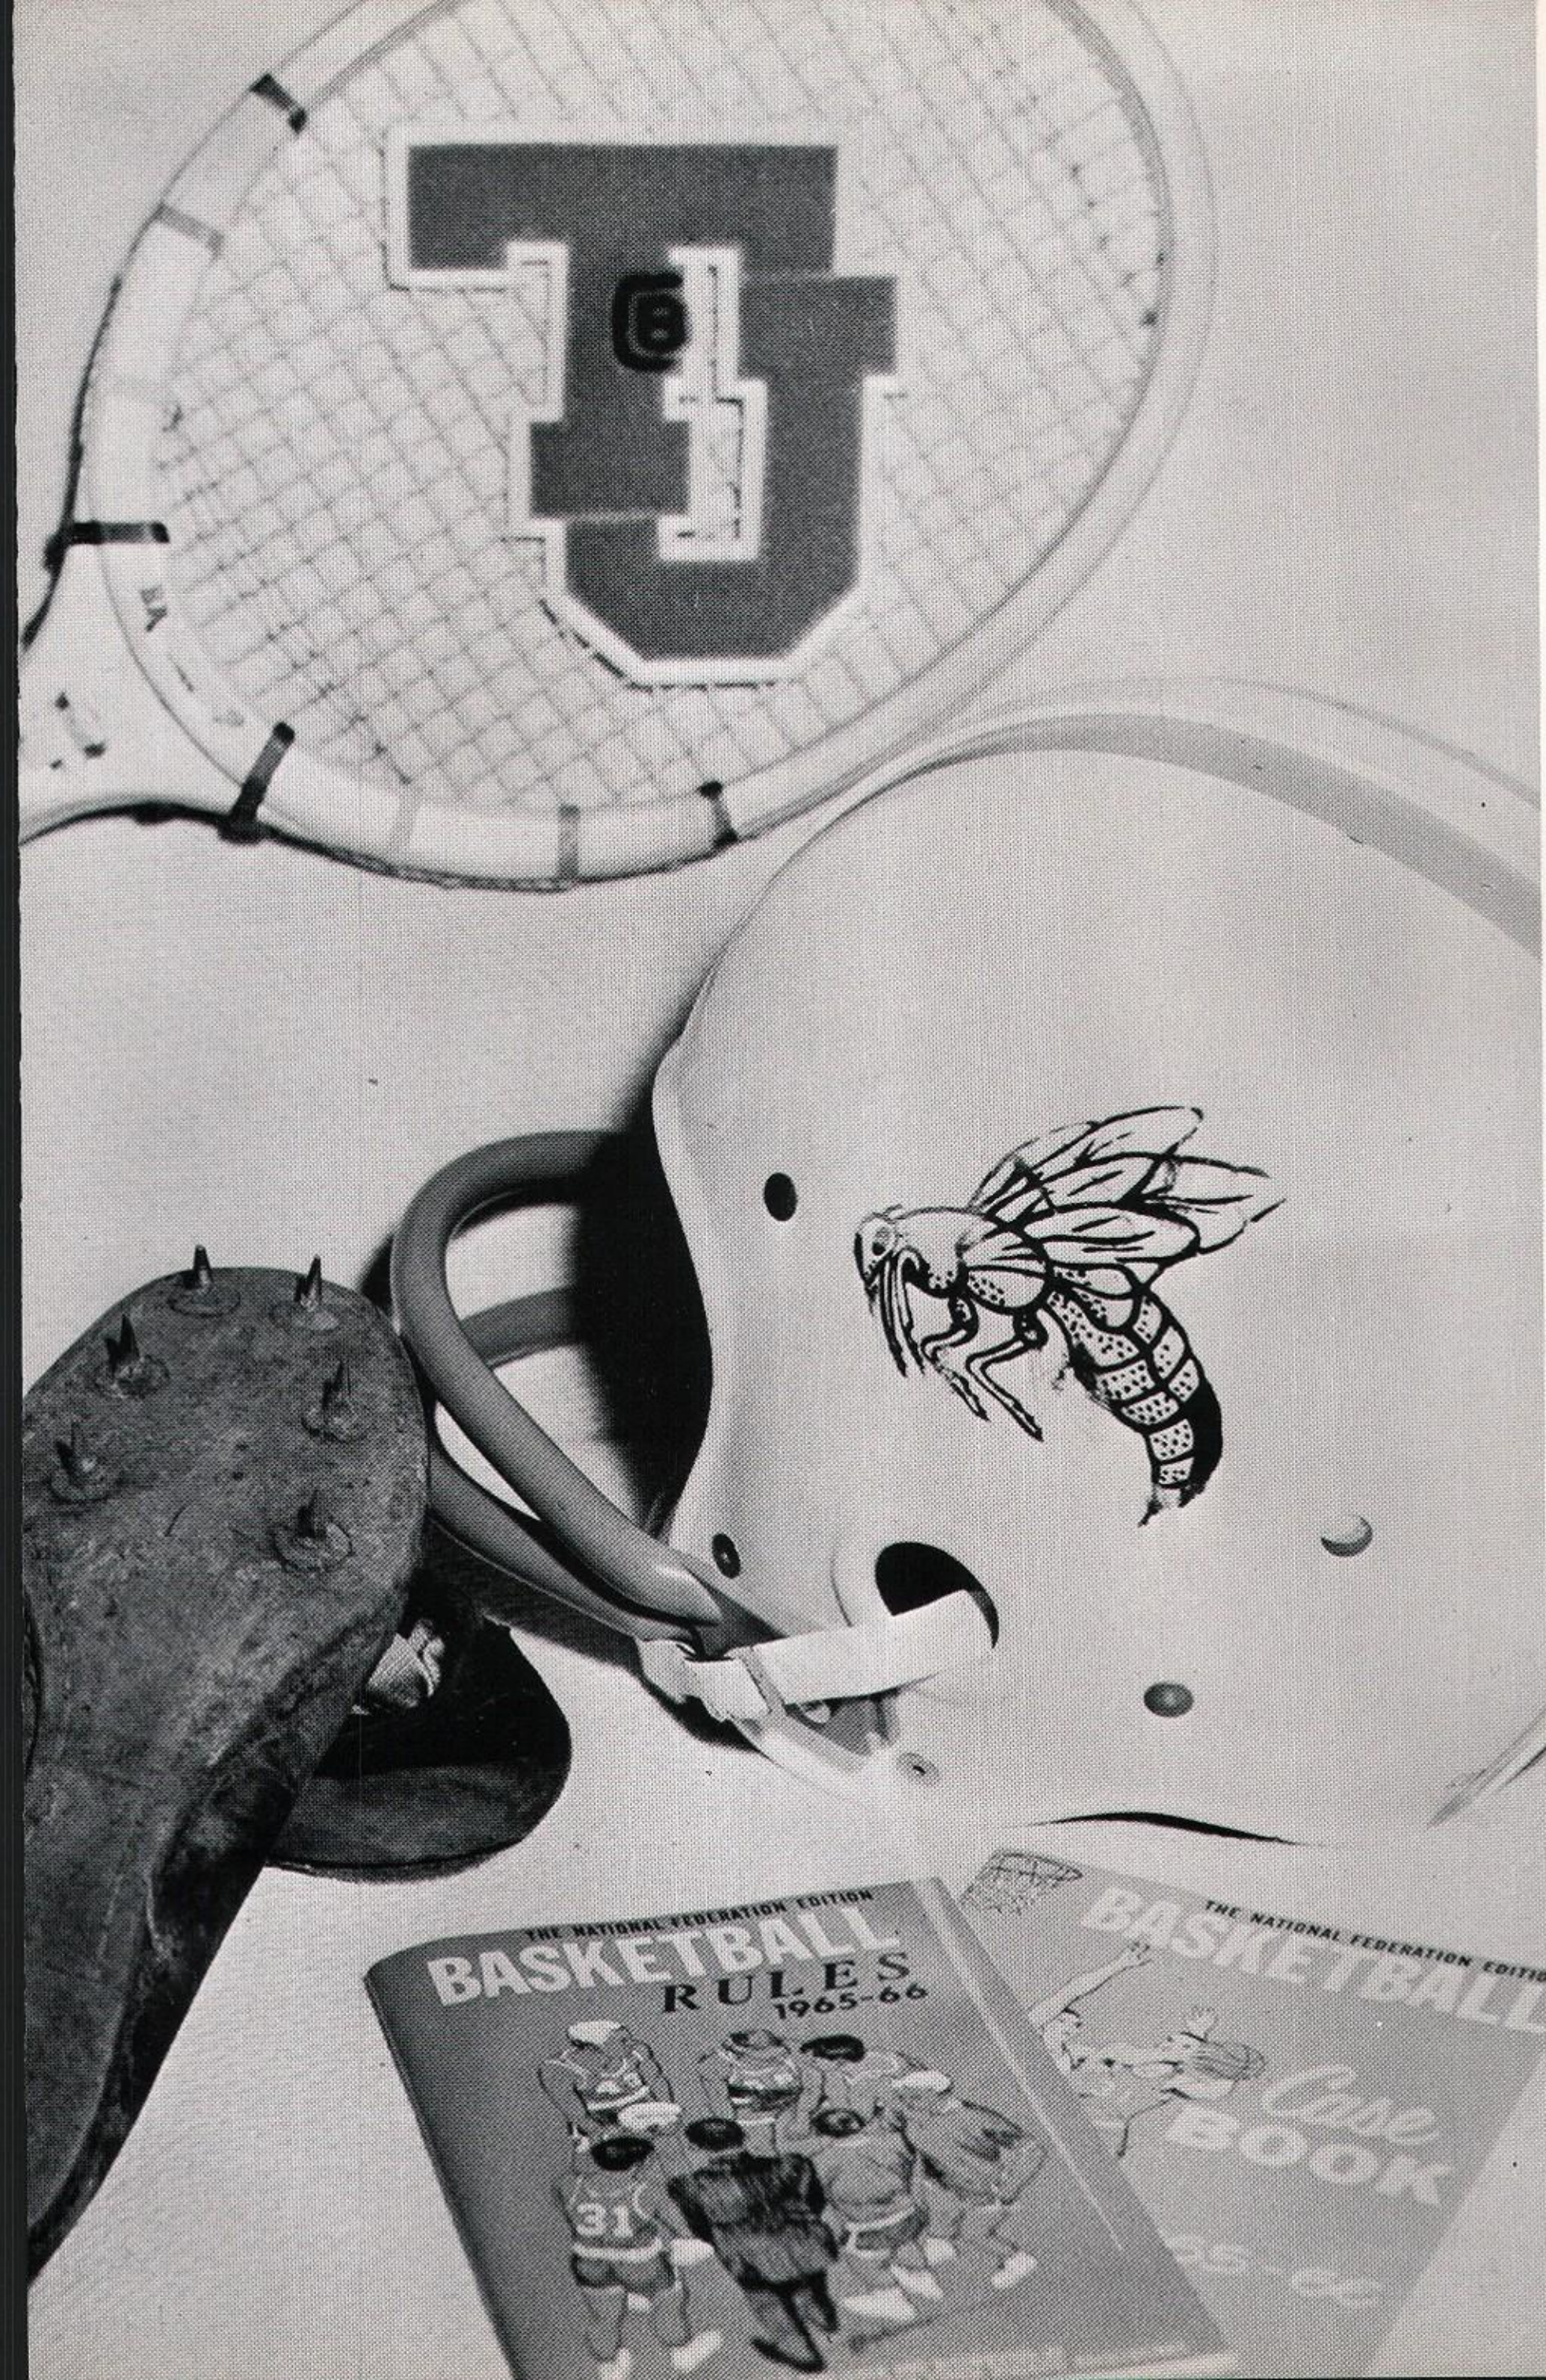

They are in attendance at nearly every activity or function here at school. They direct the traffic as it enters the various parking lots around Tee Jay at these functions. During the school year they control the crowds at football and basketball games. Also the raising and lowering of the flag is one of their duties.

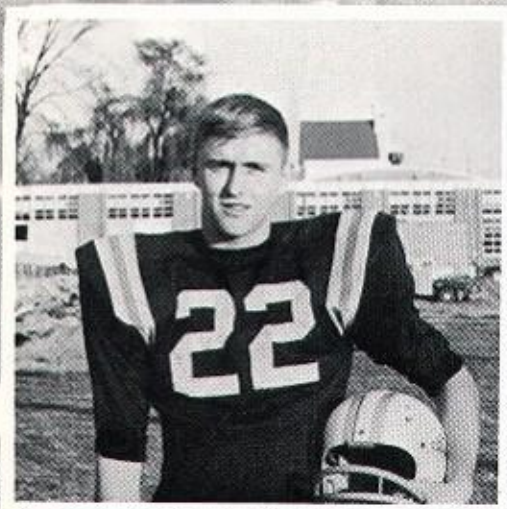

At the regular weekend dances they supervise work in the coat room and make themselves generally useful.

They very often go unappreciated but if it weren't for them the amount of confusion at Tee Jay functions would be intolerable.

As in many athletic events, the score does not always tell the whole story. This is true of this year's varsity football team. Although only two games were won, in every one of those games we showed signs of being a powerhouse. The boys tried their hardest and kept improving after each game. It seemed like the

team really started rolling at the end of the season but by that time it was too late. A lot of juniors, coached by Dennis Gotschall, saw action this season and many of them will be trying to better T.J.'s record for Coach Jack Hansen next year.

Junior Varsity

The Junior Varsity had a lot of downfalls this year. No games were won and only one game was tied during the season. The team was composed of a talented group of sophomores and juniors. The team had expert instruction, being coached by Mr. Charles Bryant, and Mr. Michael Gill.

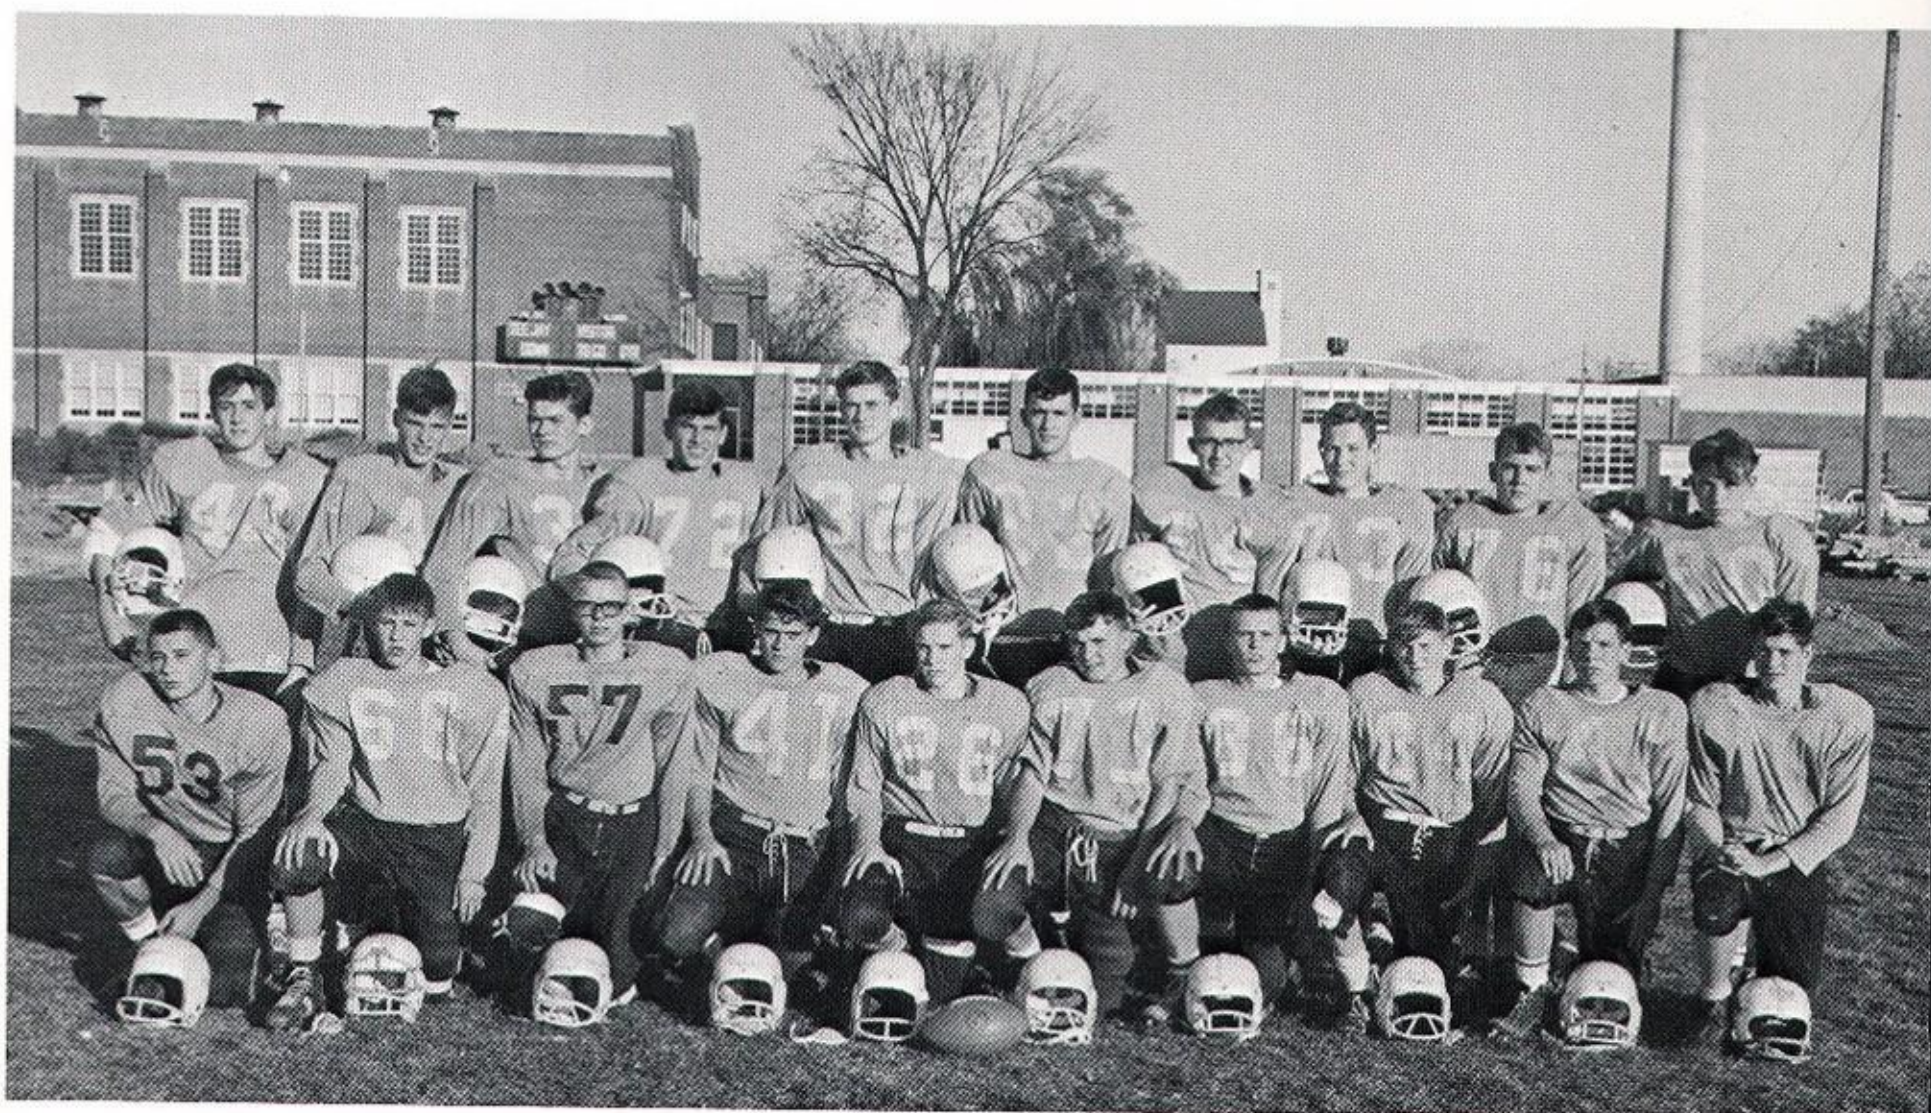

Desire and hustle were assets the team was noted for. If the breaks had fallen the other way, Tee Jay might have had a winning year. Despite the futile efforts, many boys gained valuable experience and will be a big help to next year's varsity team.

COACH SIMMS

The Sophomore football team finished its season with a respectable record of three wins against four defeats. Highlights of the season included a victory over Tech produced by a fifty yard pass play in the closing thirty seconds of the game.

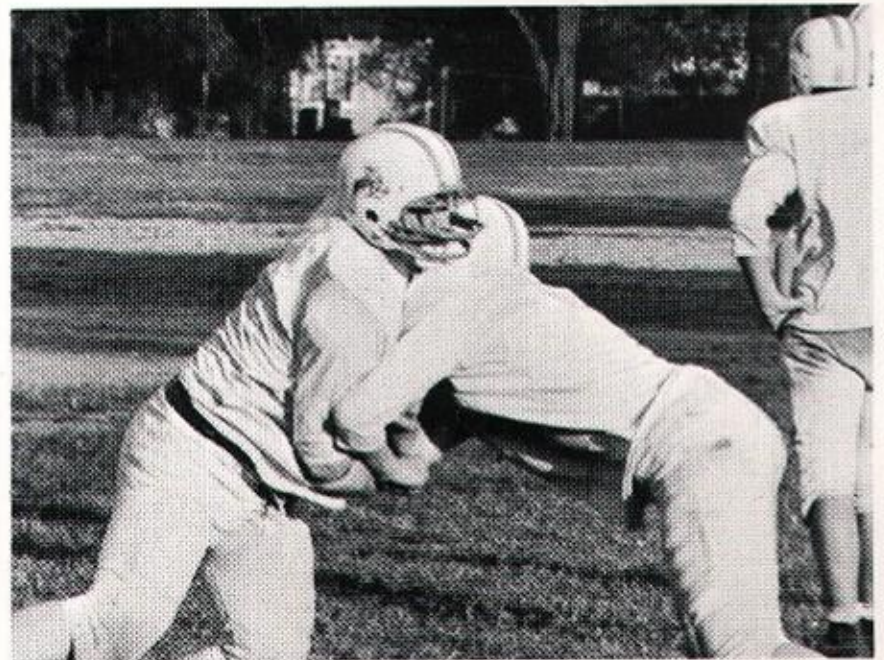

A heartbreaker ended the season when Tee Jay lost to Ryan. The Sophs' goal line charge was halted

twice during the fourth quarter. Each time Tee Jay had the ball within Ryan's ten yard line, and was unable to punch over the winning score. Credit is due to the Sophomore boys who played a tough schedule. Determination and hard play produced a number of young footballers that we will be watching in the next several years.

Varsity

Mr. Bryant was a 1955 graduate of the University of Nebraska, and while there he received honors in football and in wrestling. The experience he gained in college has been passed on through devotions and hard work during practice sessions. He has coached at Thomas Jefferson for years and during these years he has compiled a 29 win and 15 loss record.

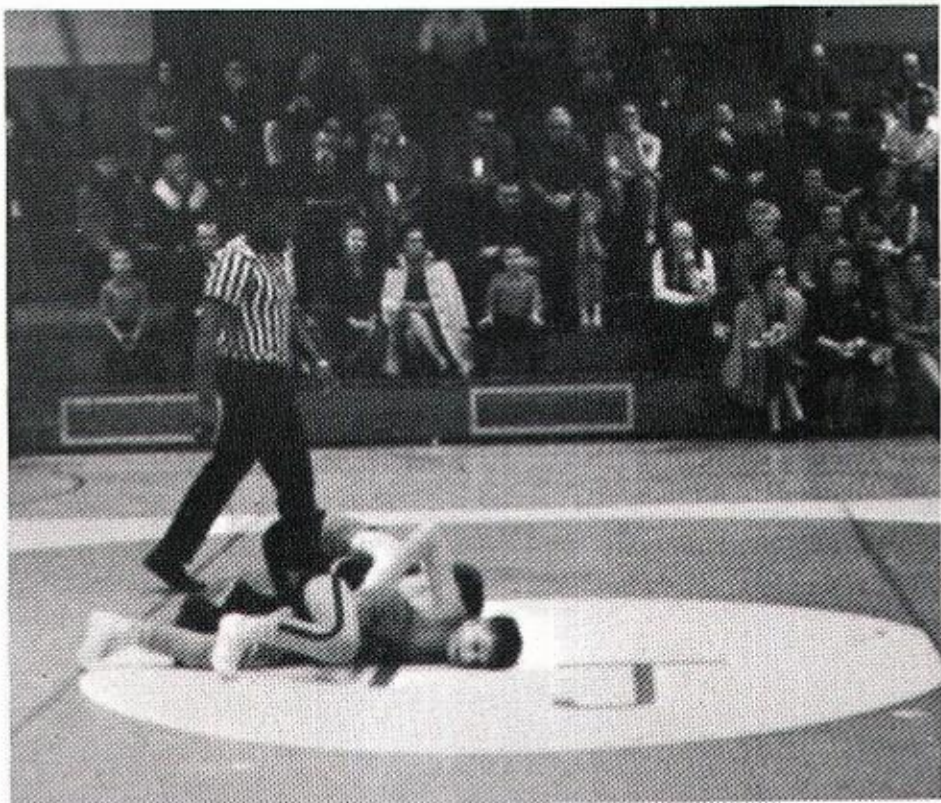

Out of the winter varsity squads the wrestling team had the best season. Their overall record shows this with a record of 9 wins and 4 defeats in duo competition. They finished third in the Metro Tourney; second in the Iowa sectional; and had finalists in district and state tournaments.

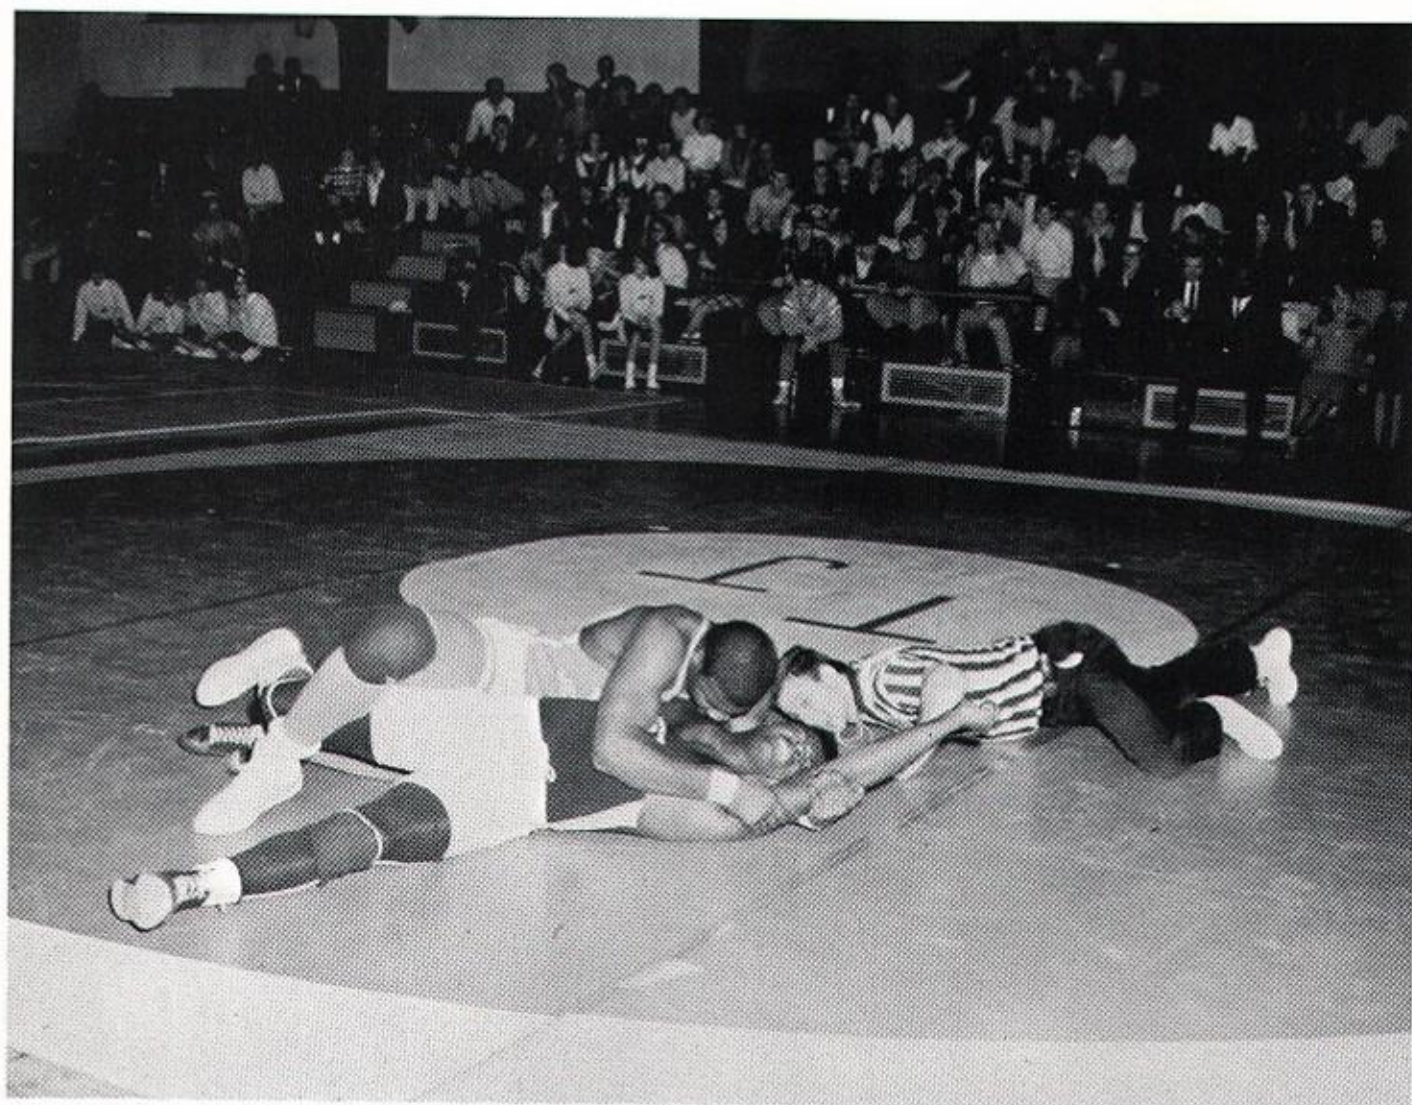

This year's record is typical of those produced by head coach Bryant. He has transferred his experience and know how to the individual wrestler in such a way that he will produce to the utmost of his ability. Congratulations to this year's team for a fine season.

GEORGE GARRETT

George was one of the best wrestlers T. J. has ever produced. He compiled a record of 70 wins, 12 losses, and 1 tie. George's quickness made him a "tiger" to wrestle, and many of George's opponents found themselves on the bottom and usually pinned. T. J. is especially proud of George for his championship wrestling, jovial disposition, and high spirit. George won many of the tournaments around this area. He also won third place in the state meet.

LEO HARRINGTON

Leo was a great performer for T. J. this year with a record of 35 wins, 17 losses, and 3 ties. Leo was able to use his wirey frame to get him out of tight spots. He was a spunky competitor, and he used his head and quickness rather than brawn to overpower his man. Congratulations to Leo for winning the "Most Take Downs" award.

BOB DOUGHMAN

Another name for this boy would be "tiger," and that is what this boy was out on the mat. His hustle and desire was overpowering to most of his opponents. By just looking at him before the match, one could tell that he was there to win. Bob, a junior, compiled a record of 22 wins, 8 losses, and no ties. Bob won the "Most Improved Wrestler" award.

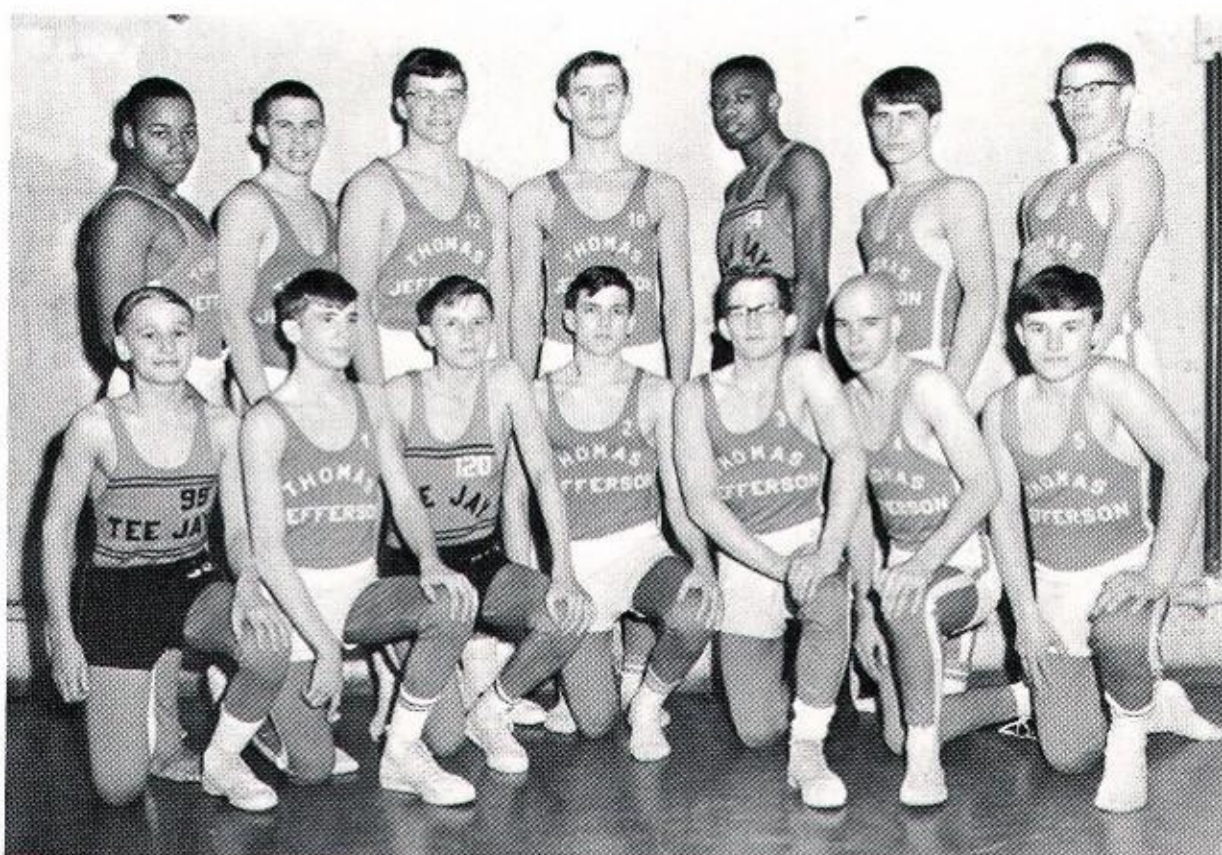

RON TALLMAN

Ron, the "big bear," wrestled heavyweight for T.J. this year. As with most big men he was strong, but he used his head in addition to his strength. His coolness and agility under pressure won him many victories. Congratulations to Ron for winning the "Most Pins" award. His record was 15 wins, 12 losses, and 6 ties.

Varsity Basketball

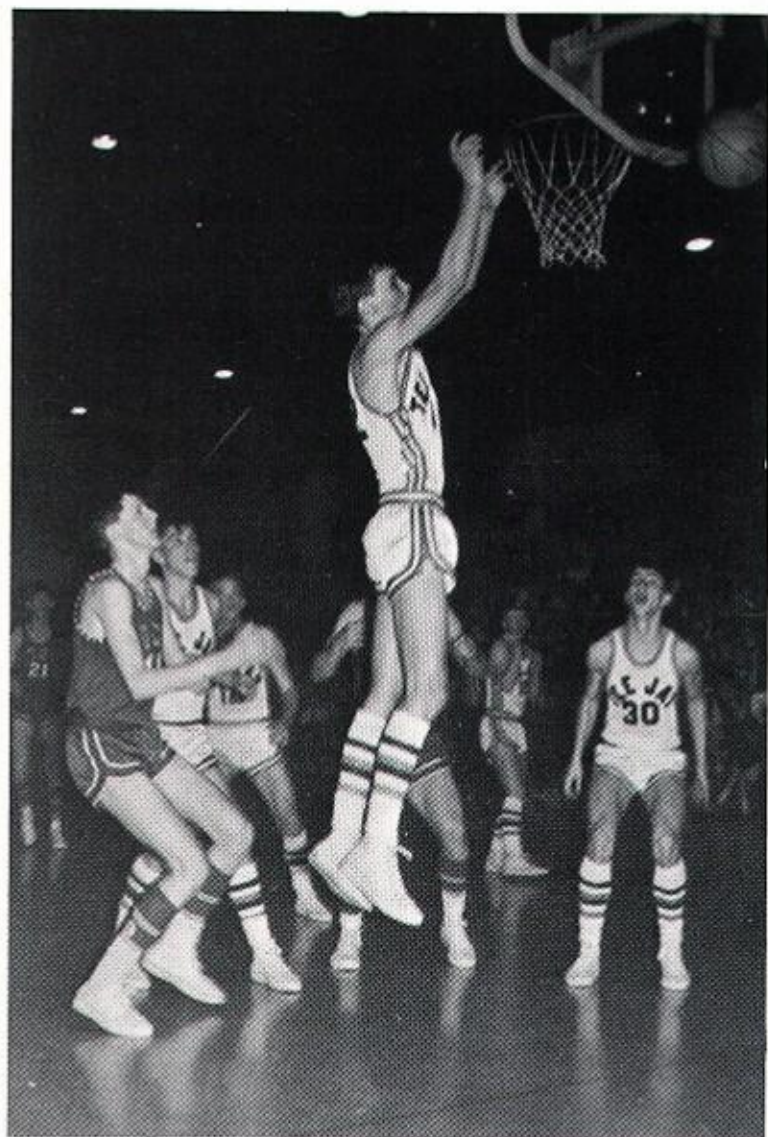

A record of 7 wins and 12 losses was compiled by the varsity basketball team. After a slow start and some bad breaks, the team seemed to come to life. At this time we were well into the season and it was just about too late to start a rally to even up our record. Switching coaches in the last part of the season made it more of a challenge.

Although it was an uphill fight from the start, the boys never got discouraged and always tried their hardest. Because of the lack in height every boy had to give his all plus a little more to be able to run with Metro foes. Despite this they did have speed and shooting ability.

In the tourney the team got as far as the semi-finals in district play before bowing to arch rival A.L. in a real thrilling game. Coaches Capel and Davis gave the team expert advice and taught the finer points of defense and offense. The record doesn't always tell the whole story. A championship record was not shown this year, but championship effort and desire were.

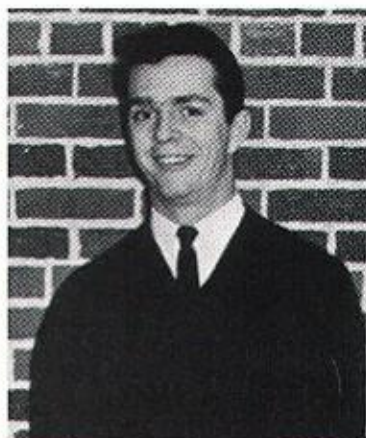

BOB CASE

ROGER NANSEL

This was Bob's first year on the varsity team. He developed into one of its finest ball players. His best shots were a jumper from the top of the key and a twisting layup down the middle. Bob made All-City and All-Southwest Iowa teams at guard.

Roger was the tallest man on the varsity squad at 6'3". This was his second year on the varsity, and played his best game against A.L. Roger's greatest attribute was rebounding, and he displayed this talent in every game at center. His best shot was a turn around jump from the inside.

CHARLIE ALLEN

Out of all the players on the squad Charlie was the most aggressive on offense. His smooth moves and deadly shots from fifteen feet brought him high point honors in many ball games. This was his second year on the varsity.

Chuck was the stuffer of the 65-66 ball club. His tremendous reach added to his 6'2" frame enabled him to dunk the ball from any angle. His best shot was a short hooker. This was his first year on the varsity.

CHUCK BANKS

One of this year's starting forward positions was held by Barry. He stood 5'11" which is short for a forward, but he could jump with the best of

BARRY McGINN

them. His best shot was a jumper from the side. Also, Barry was one of the finest defensive players on the squad.

Jay was the speedster of the squad. Many times he stole the ball and zoomed away from the chasing defenders. His best shot was a driving hook from his guard position and down the left side of the key. Jay was also a strong defensive player.

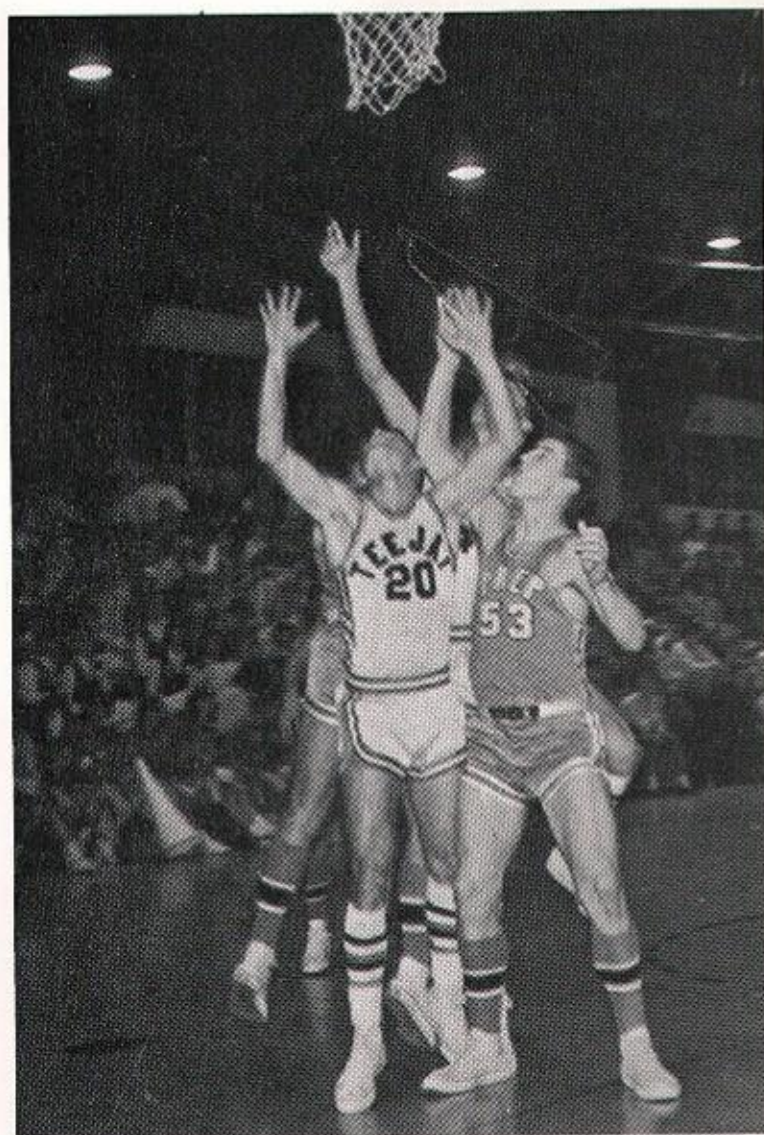

JAY MALONE

JIM GRAZIER

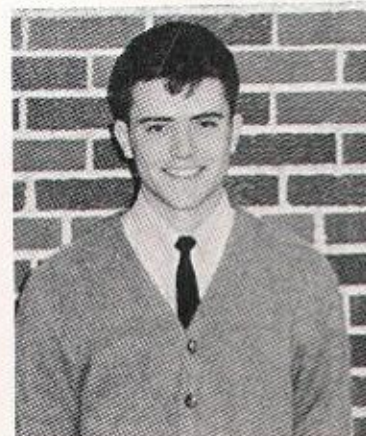

This was Jim's second year with the varsity squad and this experience showed in many ball games. Jim was able to play either forward or guard, and he held one of these positions the entire season. His best shot was a jumper from the left side.

JOHN LYDON

John was the best sixth man on the team. His 5'11" height did not stop him from gathering rebounds from taller men. His shooting ability and coolness under pressure were an asset to the team. His best shot was a scoop layup.

Bob was the shortest man on the team at 5'7". A stand-out on defense, he would steal the ball easily with his quick hands. Bob was a deadly shot from far out, especially the twenty foot mark.

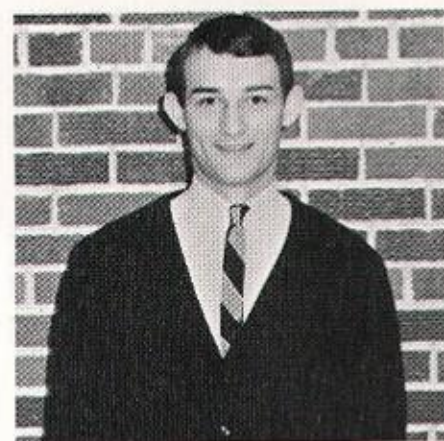

BOB HESSMAN

Bill was the only junior on the team. He transferred to T. J. from Kansas in the middle of the season. His shooting and rebounding ability will help the team next year. His best shot was a jumper from the center.

BILL HAGOOD

Jay Vees

With a record of nine-nine, the Jay Vee basketball team made a fine showing this season. Coach Bill Davis built his team up to be good sportsmen, rugged players, and tigers on defense.

Many of these boys will be expected to fill varsity positions next year. With the coaching they received from Coach Davis, a bright season is in store for next year.

Sophomore Cagers

This year the sophomore basketball team compiled a record of ten wins and three losses. Highlighting this year's season was a triple overtime win over Bellevue with the final score, Tee Jay fifty-nine and Bellevue fifty-seven.

These boys worked hard and were considered a top-notch sophomore club. Coach Mike Hoffman, in his second year with the team, feels many of these boys will be able to fill varsity positions in the near future.

TJ's Girls' Basketball Team

Even though only 3 seniors returned to the girls' basketball team this year, they had a fairly good season. They practiced twice a week on lay-up shots, drills, free throws, and different plays. Having tough competition from 15 other teams in the B league (girls 18 and under), they finished with 8 losses and 2 wins.

Showing much improvement, the girls were runners-up in the consolation games of the AAU tournament. Also, one of the outstanding players, Jeanie Hall, was elected to the all star team. With almost all the girls returning next year, it should be a very promising season.

This year has been a rebuilding period for Coach Earnest Robinson's thinclads. With only three returning lettermen from last year's squad, Coach Robinson had to settle for seventh in the Metropolitan League. The boys had much desire and determination. With nine underclassmen returning to next year's squad, a successful season is in store for future cross country teams at Tee Jay.

Track

1st Row: L. to R.—M. Jones, R. Turpine, L. Spratt, M. Dyson, D. Bergstrom, E. Lawton, T. Hawkins, M. Rhine. **2nd Row:** J. Malone, J. Nagle, L. Floyd, B. Hagood, C. Mobley, C. Foutch, A. Rollins, J. Heckerman, Coach Hansen, D. Fernley, D. Horner, T. Bond, G. Kohrs, Coach Gotchall.

This year's track team placed high in every meet they participated in. Greg Kohrs and Mike Kellar paced the team with 1st and 2nd place efforts at the State Meet. Other point getters for the team were Tim Bond in the 100 Yd. Dash and Jay Malone in the 220 Yd. Dash. Kohrs, Bond and many other underclassmen are returning to help bolster relays and garner points in the open events. A boy has to pay the price to become successful in track, and by the showing made this year, many boys paid the price. Congratulations to Mr. Gotchall for an outstanding track team.

Mike Kellar shows form that earned him 2nd place in the State Meet.

Dave Bergstrom finishes third.

Greg Khors 1st place in the broad jump at the State Meet.

The girls who frequently ran the relay were from L. to R. Kathy Maher, Kathey Mandolfo, **(standing)** Linda Luschen, and Maggie Roacha.

Even though the number out for girls' track was limited, the team had a good season. Five girls made up the team, and because of this each girl participated in a variety of activities.

The girls started by practicing four nights a week after school. Exercises consisted of jumping jacks, sit-ups, leg exercises, running from two to three laps around the football field, and practicing the dashes to improve their time.

TeeJay entered the meets at Red Oak and Missouri Valley but failed to score against tougher rivals. The team also entered in the meet at the Iowa School for the Deaf where they won place ribbons. Linda Luschen took second place in the broad jump for which she set the school record at TeeJay, second place in the 220 yard run, and placed fifth in the 100 yard dash. The four girls on the relay team won a fourth place ribbon.

This year the coach of girls' as well as boys' track was Mr. Ernest Robinson. His assistant was Miss Donna Balzer of the girls' physical education department.

Girls' Track

Linda Luschen gets a running start for the broad jump.

Georgia Gottbrecht prepares to throw the softball.

Conditions for running on the TeeJay track were very difficult because of the new addition being constructed.

Gymnastics

The gymnastic team had a record of two wins and seven losses. Coach Bill Simms has many underclassmen returning next year.

With the experience gained this year, better performances are expected from these boys in the coming season.

With a record of one win, one tie, and sixteen losses the swimming team didn't fare too well against their tough Metro foes.

This year's team was composed mainly of underclassmen. Mr. Jerome and the team feel that the experience they gained from this year and lots of hard work, a brighter season is in store for next year.

Coach Dick Davis

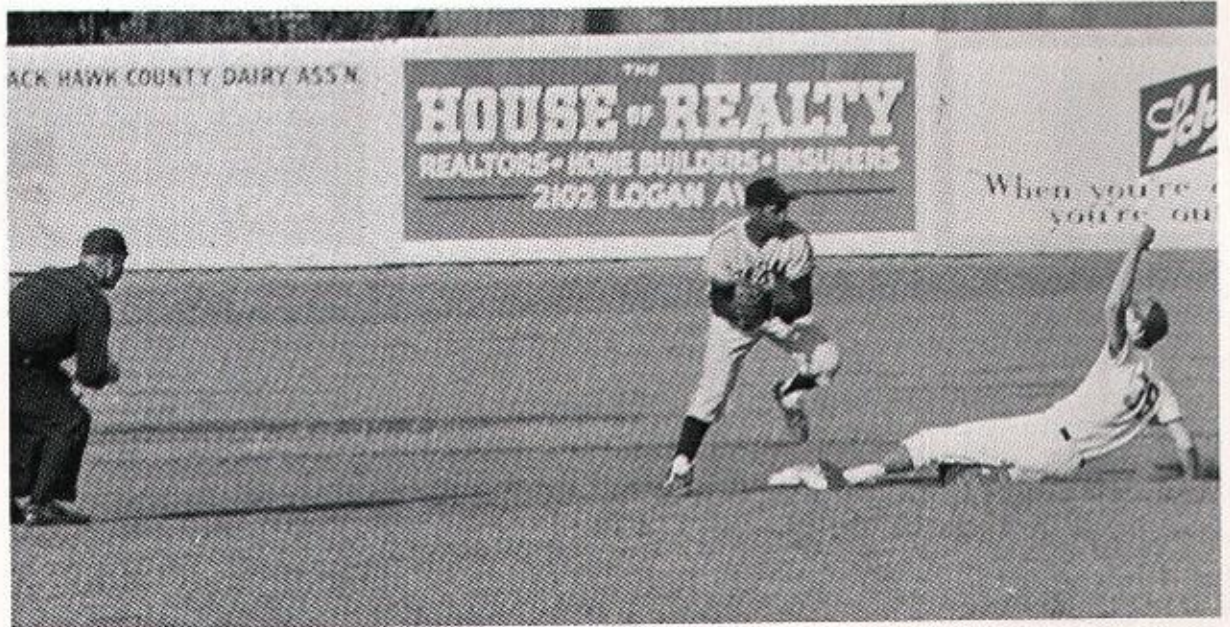

The spring baseball squad possessed a 16-5 record and the title of Spring State Baseball Champions. Seasoned by the tough competition of the Merto-League, the state champs tore through their Iowa foes with a 12-0 record.

The team at the start of the season was rough and needed work in many places. As the season progressed, though, the squad turned into a smooth functioning team which in the end became the number one team in the state of Iowa.

After losing the first game of the season, the Jay-vees racked up six straight victories for a 6-1 Metro League record—good enough for a first place finish. The team was led by the trio of John Kinsel, John Hiffennan, and Terry Ferrin who hit .308, .450, and .410 respectively.

Girls'

The girls' golf team showed much improvement over last year. Many new sophomores participated this year making the team work harder and creating competition among the team for those low scores. Their sponsor, Mrs. Sally Kelker, took the team to Westwood Golf course four times a week to determine low scores for the matches. The top six were then taken to Dodge course in inter-school competition.

The low scorer and best player on the team was Carolyn Lindsay who took fourth place low medalist in competing with forty-two girls at the Iowa district meet.

The team lost to A.L. in the two matches scheduled with the scores being

A.L.	184	T.J.	185
A.L.	233	T.J.	255

The top six girls who placed in district are from L. to R. Carolyn Lindsay, Sandy Rowe, Trudy Mark, Alice Conway, Debora Smith, Carla Arndt.

The first match between A.L. and T.J. was held at Westwood and the second at Elks Country Club Golf Course.

In the southwest Iowa Tournament TeeJay placed fourth (beating A.L. by twenty-three strokes) and placed fourth in the Omaha Golf Invitational at Cedar Hills Golf Course. The team finished with a good season and with all but three girls returning, next season should be even better.

The low average boy for the team was sophomore Rod Appel with an average of 42.7. Second low was senior Rod Erickson with a 43.2 average, followed closely by senior Jim Evans with 43.6.

We Salute You . . .

VALEDICTORIAN

We, the Annual Staff, salute Trudy Probst, this year's valedictorian. Her address on "What Greater Gift?" was especially appropriate considering Trudy's list of honors. Some of these include—First Place in the State Elks Leadership and Scholarship Contests, going on to the National contest.

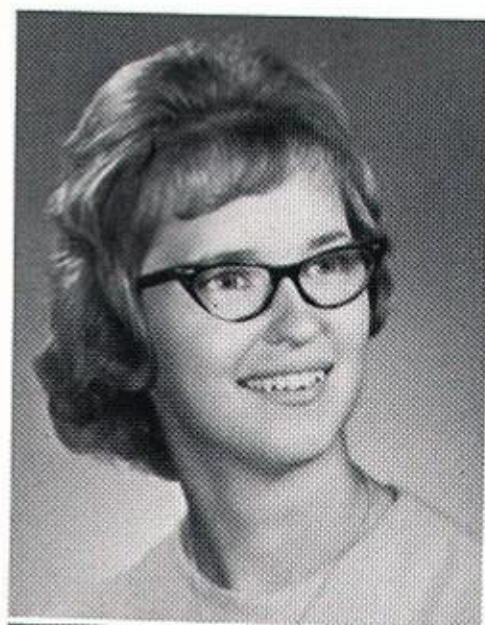

A well-known figure around Thomas Jefferson, Trudy is a member of the NHS, Student Council, FTA, Jr. GOP's, MOI's, **Signal** Staff, Biology, Spanish, and Pep Clubs, and dramatic work in roadshows and plays.

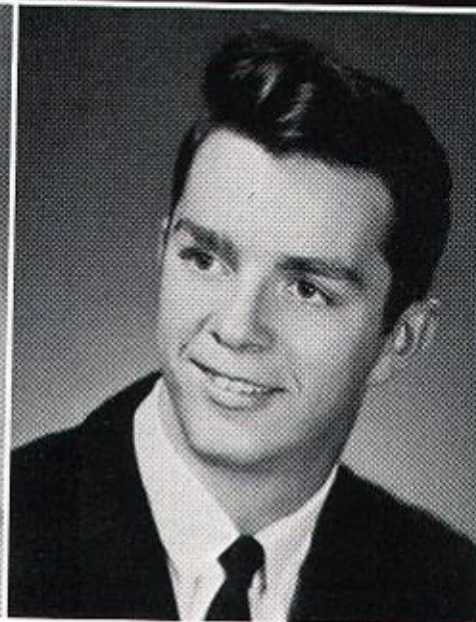

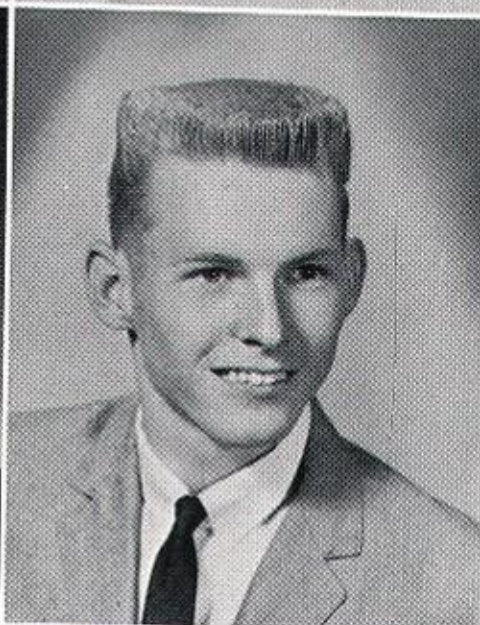

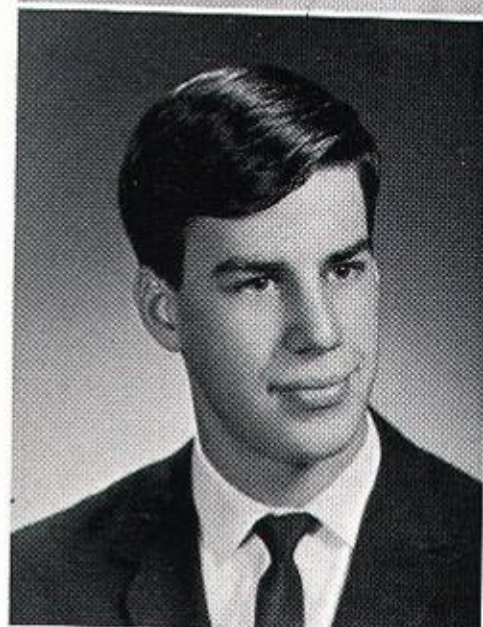

SALUTATORIAN

The Annual Staff is proud to give Kenneth Linger, well-earned recognition. Ken's list of activities is a long one, including membership in NHS, Jr. GOP's, Key Club, MOI, Science Club, Music Department in Choir and Band, and work in the Drama Department.

Proof of Ken's earning his rank was evident from the awards he received on "Honors Day." Some of these were his NMSQT Letter of Recommendation, State of Iowa Scholarship, **World-Herald** Scholarship, Woodmen of the World American History Award, Iowa State Bar Association Award, Elks Local Scholarship Award, and his admission to Iowa State University "With Recognition and Award."

These were 43 students in the top ten per cent of the senior class this year. These students received a gold braid to wear for the commencement exercises as a symbol of the achievement. Most of these students were active in extra-curricular activities as well as working to keep up their class standing.

Each one of the 43 received a gold medal for their academic achievement at the annual Honor Day assembly. The assembly is held each year to honor the seniors of Tee Jay.

The Nelson Trophy is awarded to the boy who shows the best sportsmanship. Jay Malone was the winner of the trophy this year.

The Don Frame Trophy was donated to the school by friends of Major Donald Frame who was shot down in Korea. Don played football for T. J. and was one of T. J.'s "Greats". This trophy is awarded each year to the outstanding competitor of the year and this year it went to John Lydon.

Bobby Case is shown taking the trophy the baseball team won as the Iowa State Champs. The trophy was presented at a casual reception and dance held by the school and open to all T. J. baseball fans. The final winning game was played at Waterloo and many T. J. students and parents attended.

Visitor From Germany

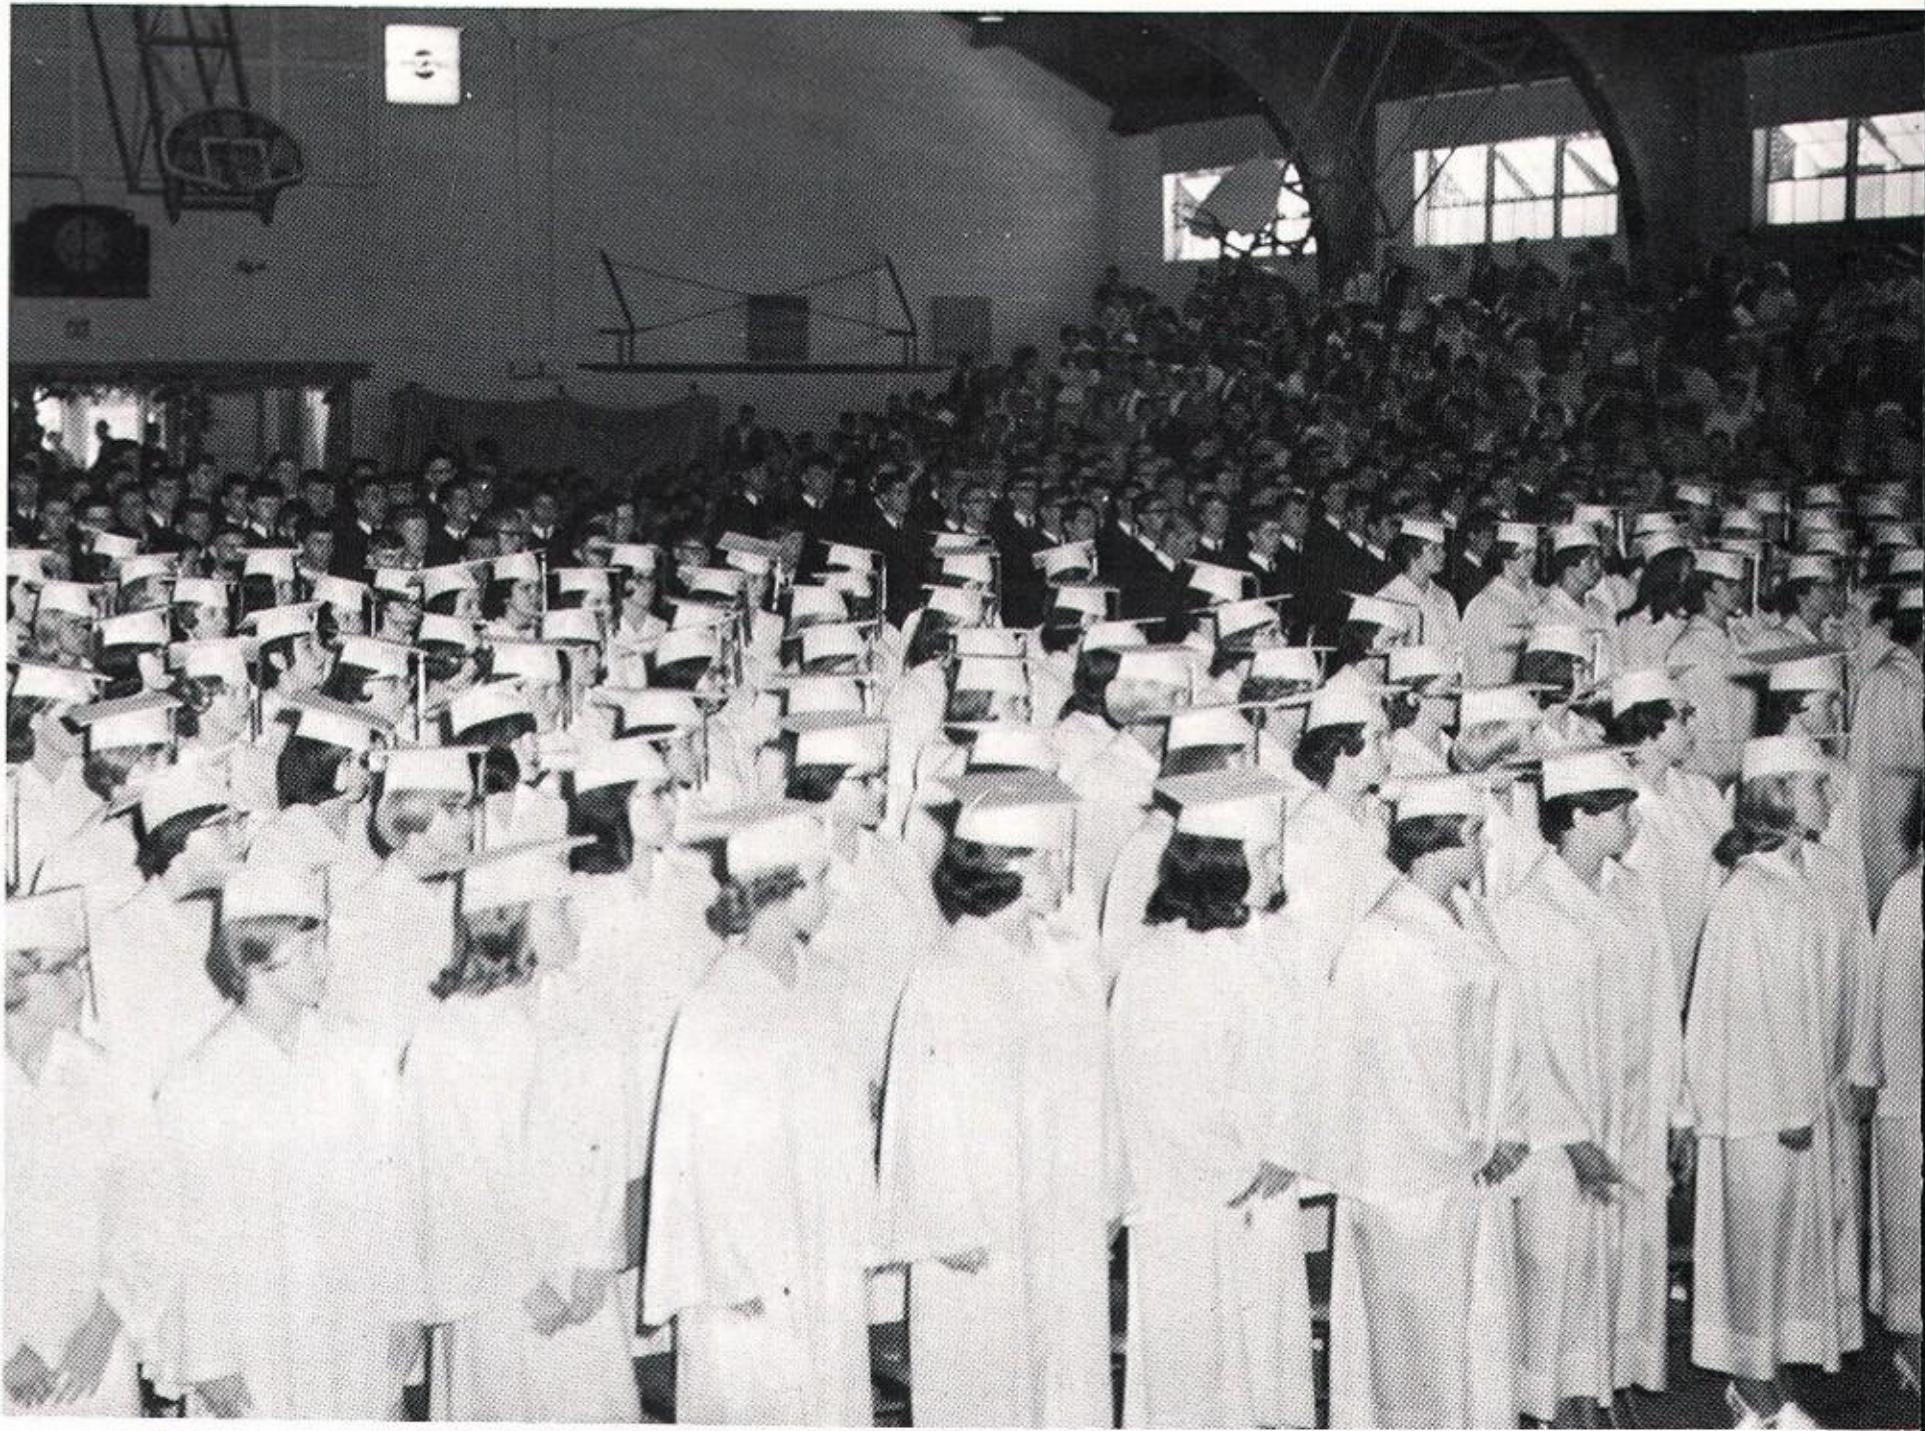

"Ching ga dea russa dea cassa dea nova dea hee ha hee ha hussa." This is the inspiring cheer an attractive young man with a mysterious accent offered the student body at the pep rally before our Homecoming Game. "The cheer," explained Gerd Heinstorfer, Tee Jay's foreign exchange student, "means nothing more than 'the American's rah team rah'." Gerd came to the United States in the summer of 1965 to live with the Gilbert Klefstad family for nine months on the American Field Service Program.

The things Gerd seemed to enjoy most during his stay in the United States were drive-in-movies, restaurants, hay rides, and TP'ing. Also top on his list were dates when he was with a lot of kids and could meet many people. Gerd accomplished many things while in the United States. He was a member of Young Democrats, was on the track team and football team, and was President of the Tee Jay chapter of A.F.S. Gerd took great pride in the fact that he earned his membership in the organizations he belonged to. Exchange students are usually made honorary members of Student Council, but Gerd campaigned and became a district representative by popular vote. By the same token he gained membership into the newly organized Key Club.

Tee Jay was very sad when Gerd had to return to Germany before the end of the school year. We hope that the time he spent at Tee Jay will be a lasting part of his memories because Gerd Heinstorfer will always be a part of our 1965-1966 school year.

BACCALAUREATE

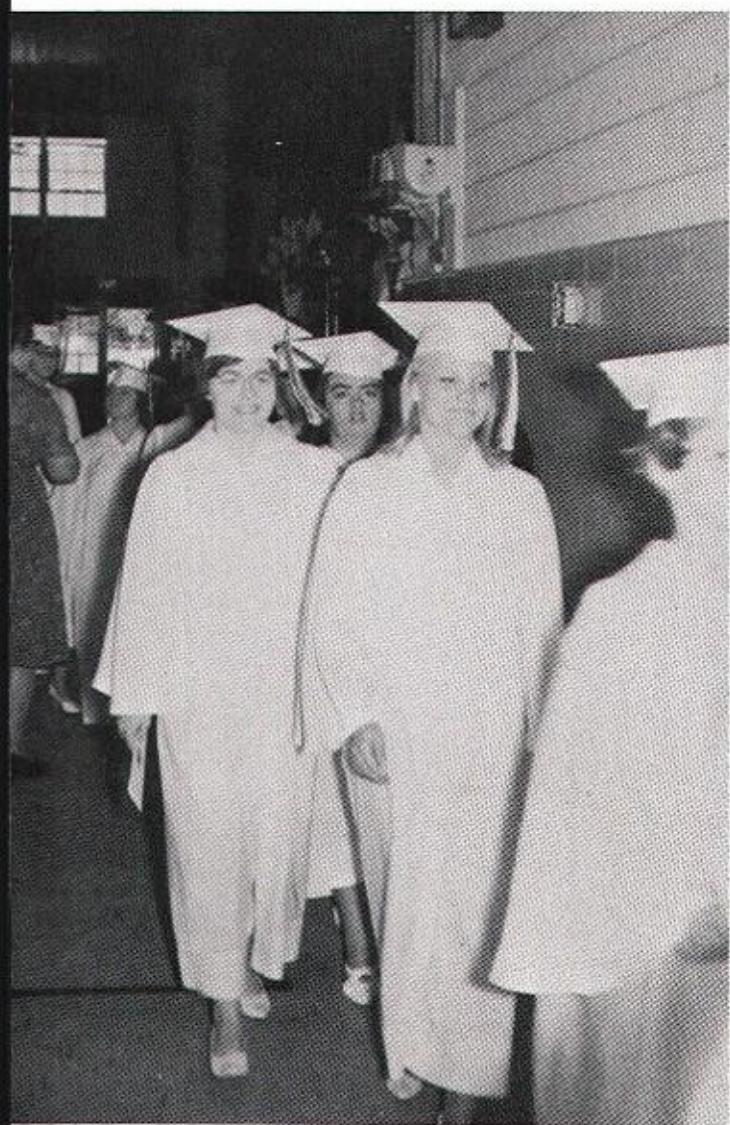

1966

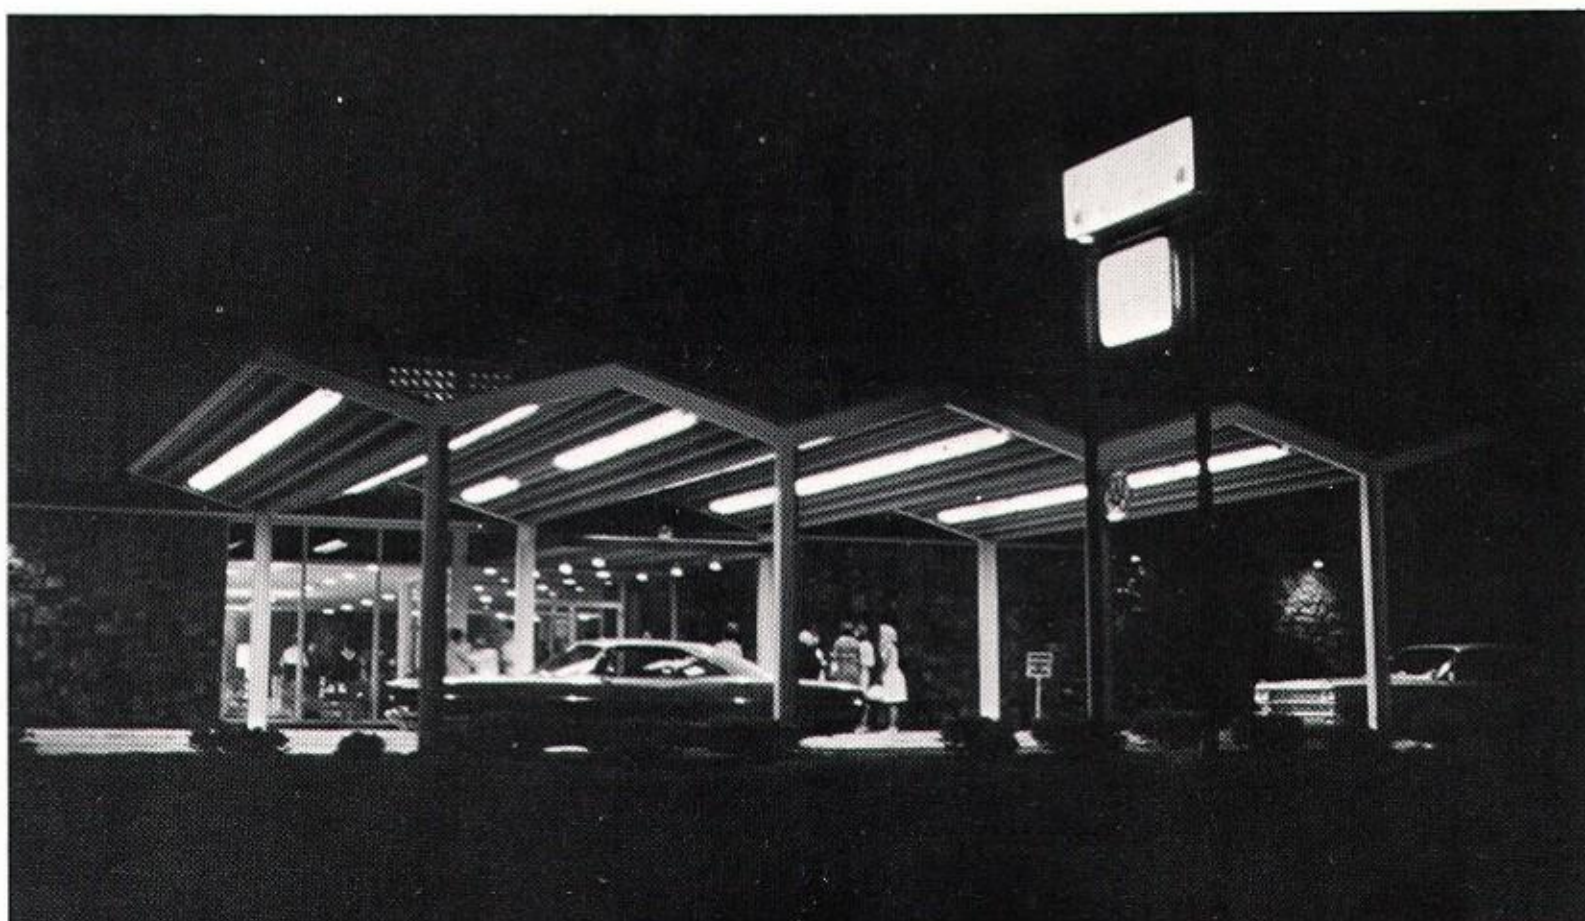

The Baccalaureate service was held Sunday, May 29, 1966, in the Thomas Jefferson field house. The service began with the Processional of the graduating class to Pomp and Circumstance led by Mr. Earnest Oakes. The Invocation was then given by Rev. Benny Boling of the Broadway Christian Church.

The Girls' and Boys' Gleees each sang. Together they sang "Let Thy Blessed Spirit," directed by Miss Karen Jensen.

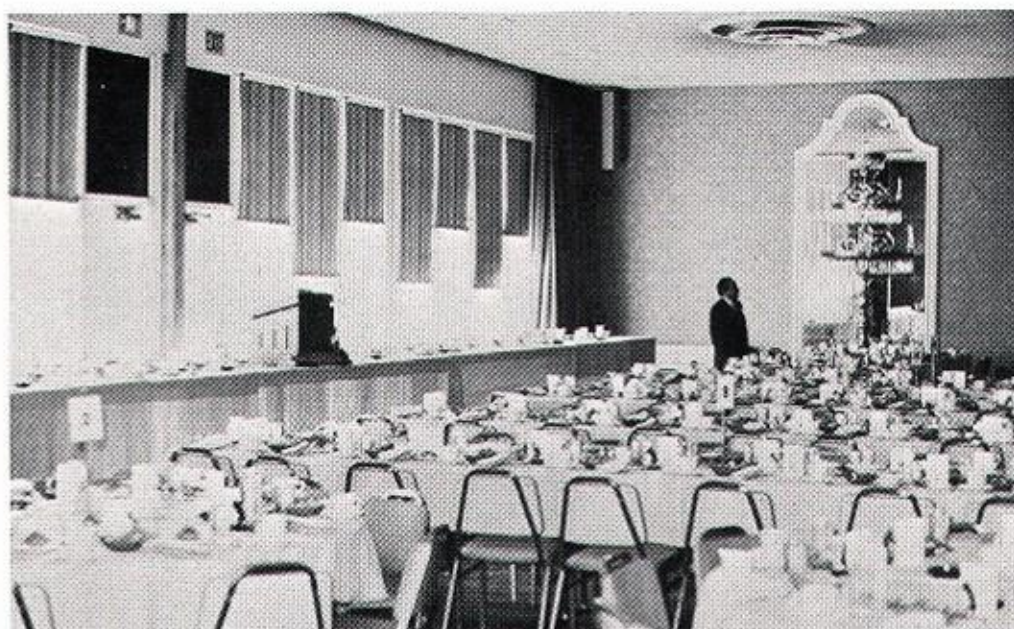

The sermon, "The Challenge of the Future," was given by Father Frank Bognanno of Holy Family Church. The service was closed with Benediction by Rev. Boling.

Indian Hills"

The 1966 Senior Banquet was held Tuesday evening, May 17. The theme "A Night at Indian Hills" was carried in the decorations and speeches on the big wigwam (Tee Jay) and its Indians (pupils) and the wide frontier (being our futures).

The menu included salad, rolls, Swiss steak, baked potatoes, green beans, milk and apple pie. The senior boys were up to their usual antics, including proving they were men by smoking giant, black stogies.

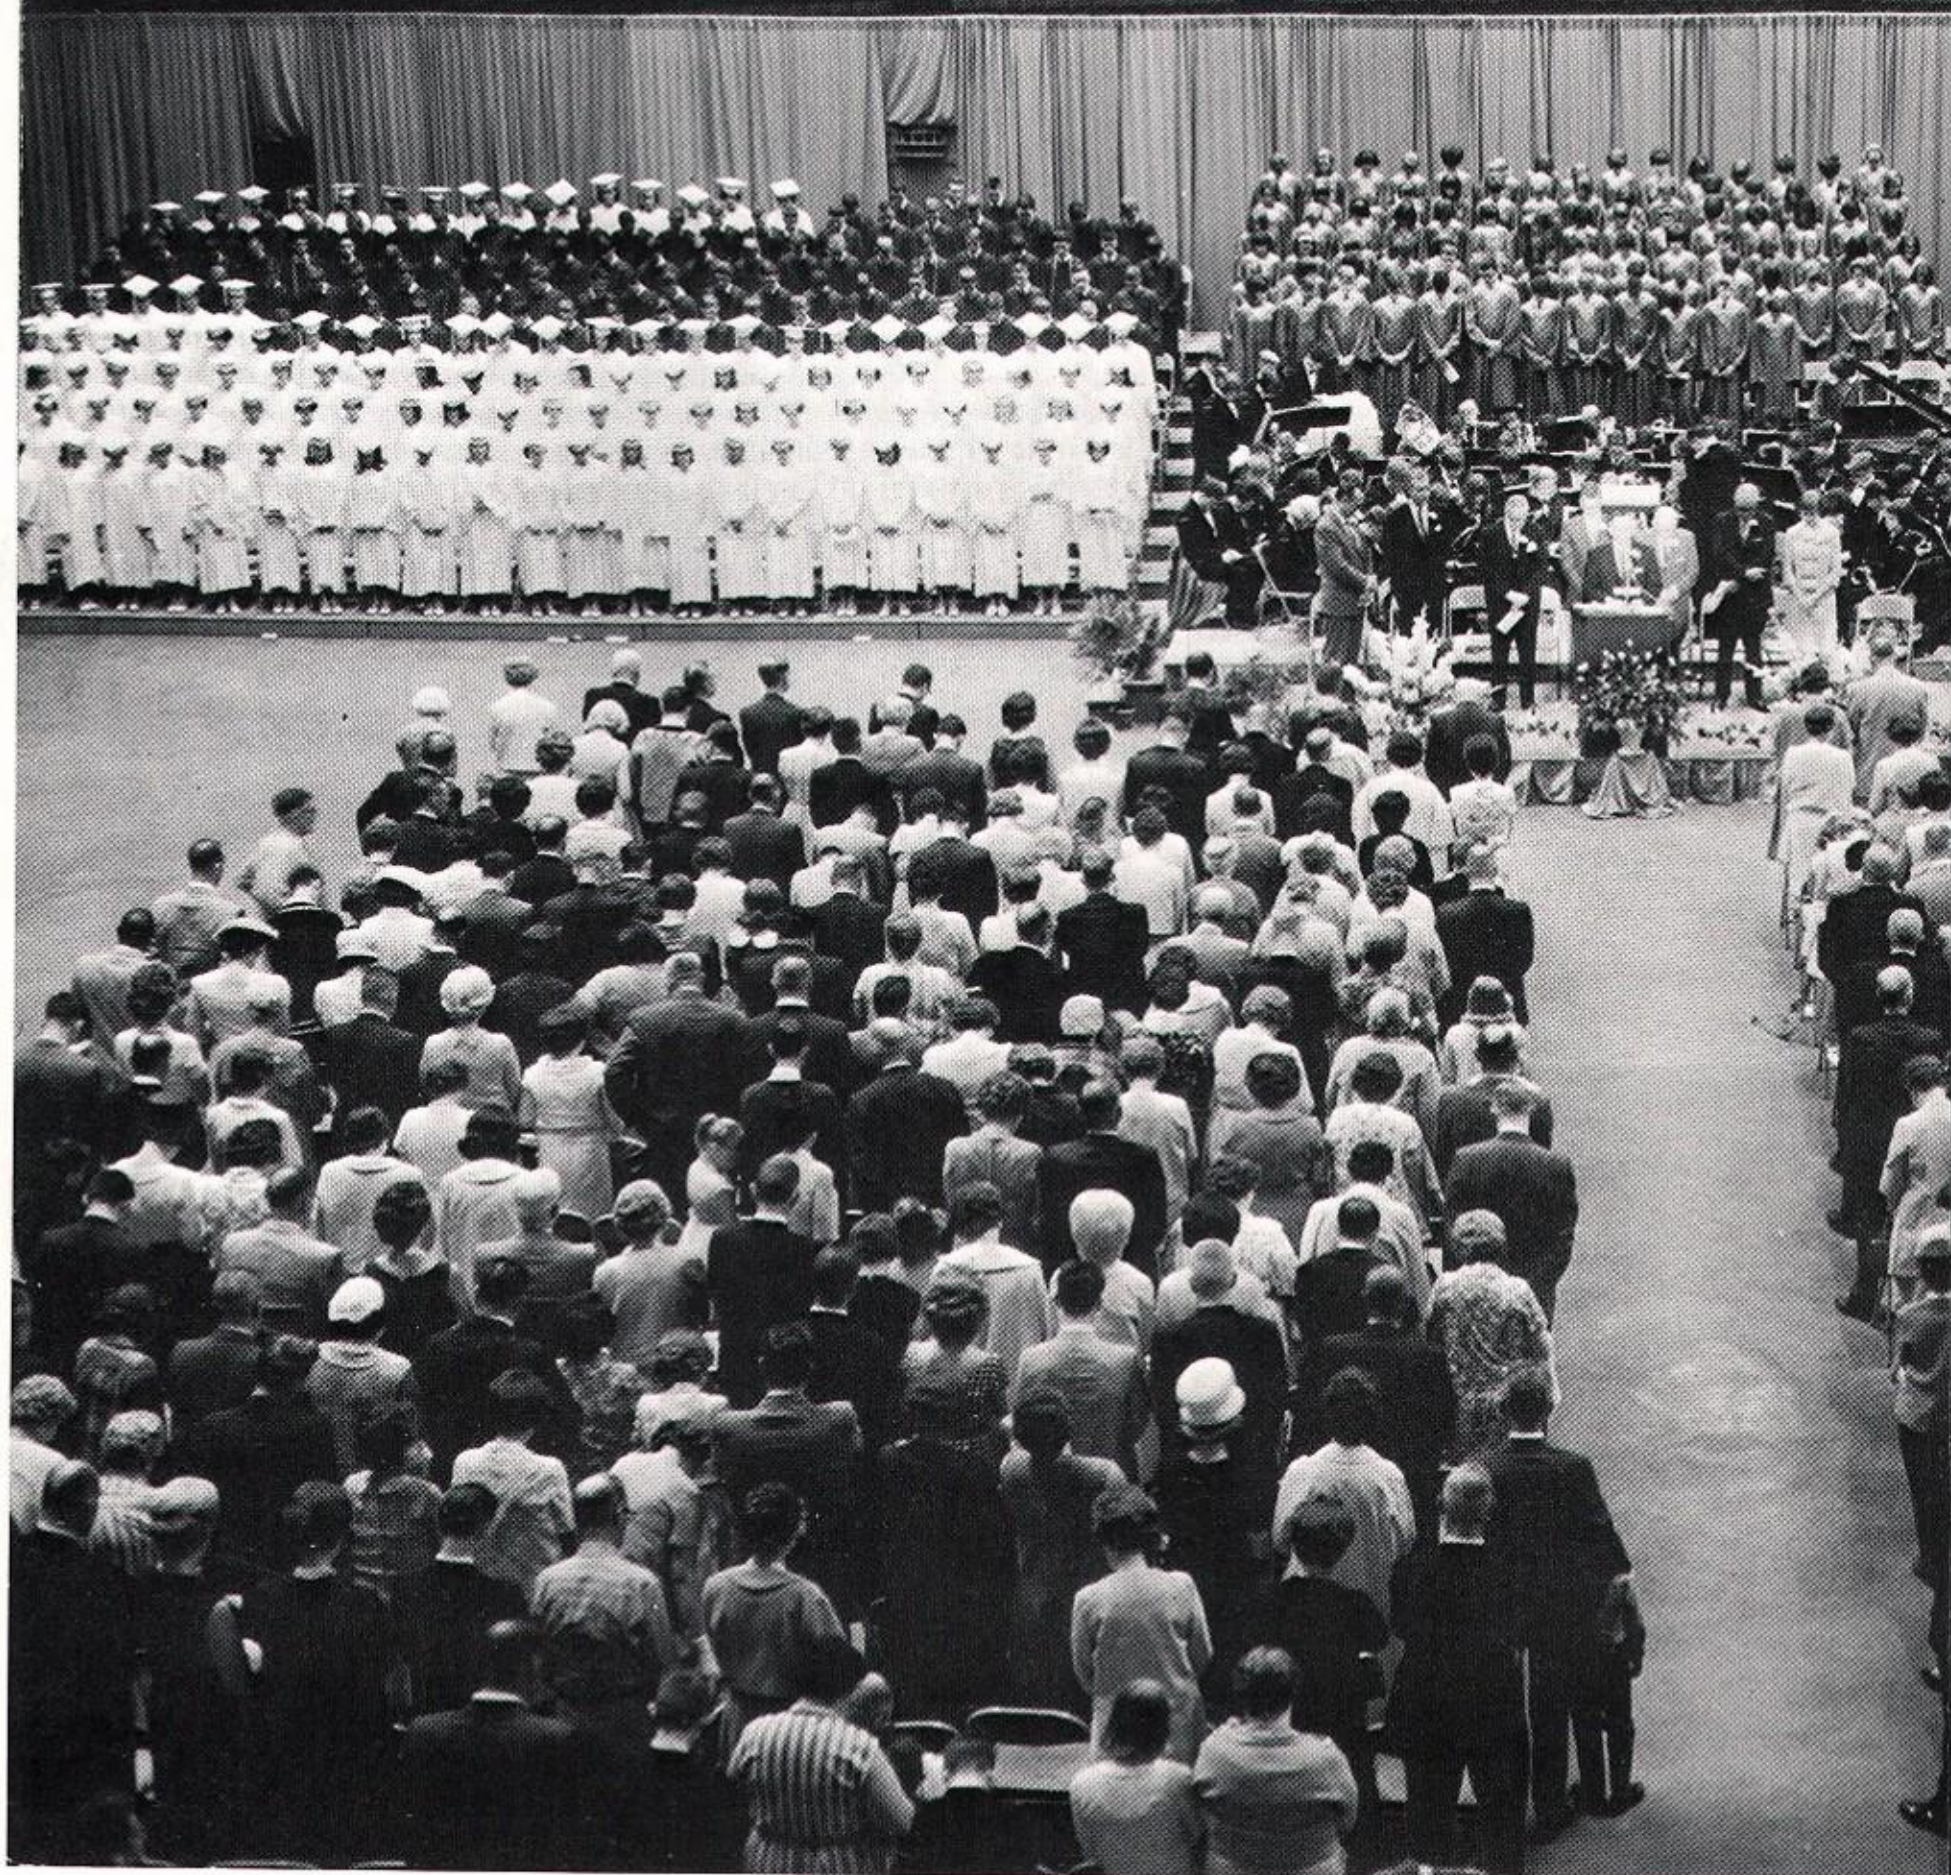

Entertainment included an oboe solo by Peggy Anfinson, vocal solo by Jane Rassmussen, an ensemble by female senior members of choir, speeches by Tandy McClure, Jim Evans, Dona Hall, Mr. Bolton and Mr. Sam Brown, member of Council Bluffs school board. A gala song fest led by Jim Moats and Bob Bryant followed.

Mr. Bolton concluded the memorable event by offering the seniors a skip day in Des Moines, if our baseball team got to state, paying a dollar for each senior getting on the bus.

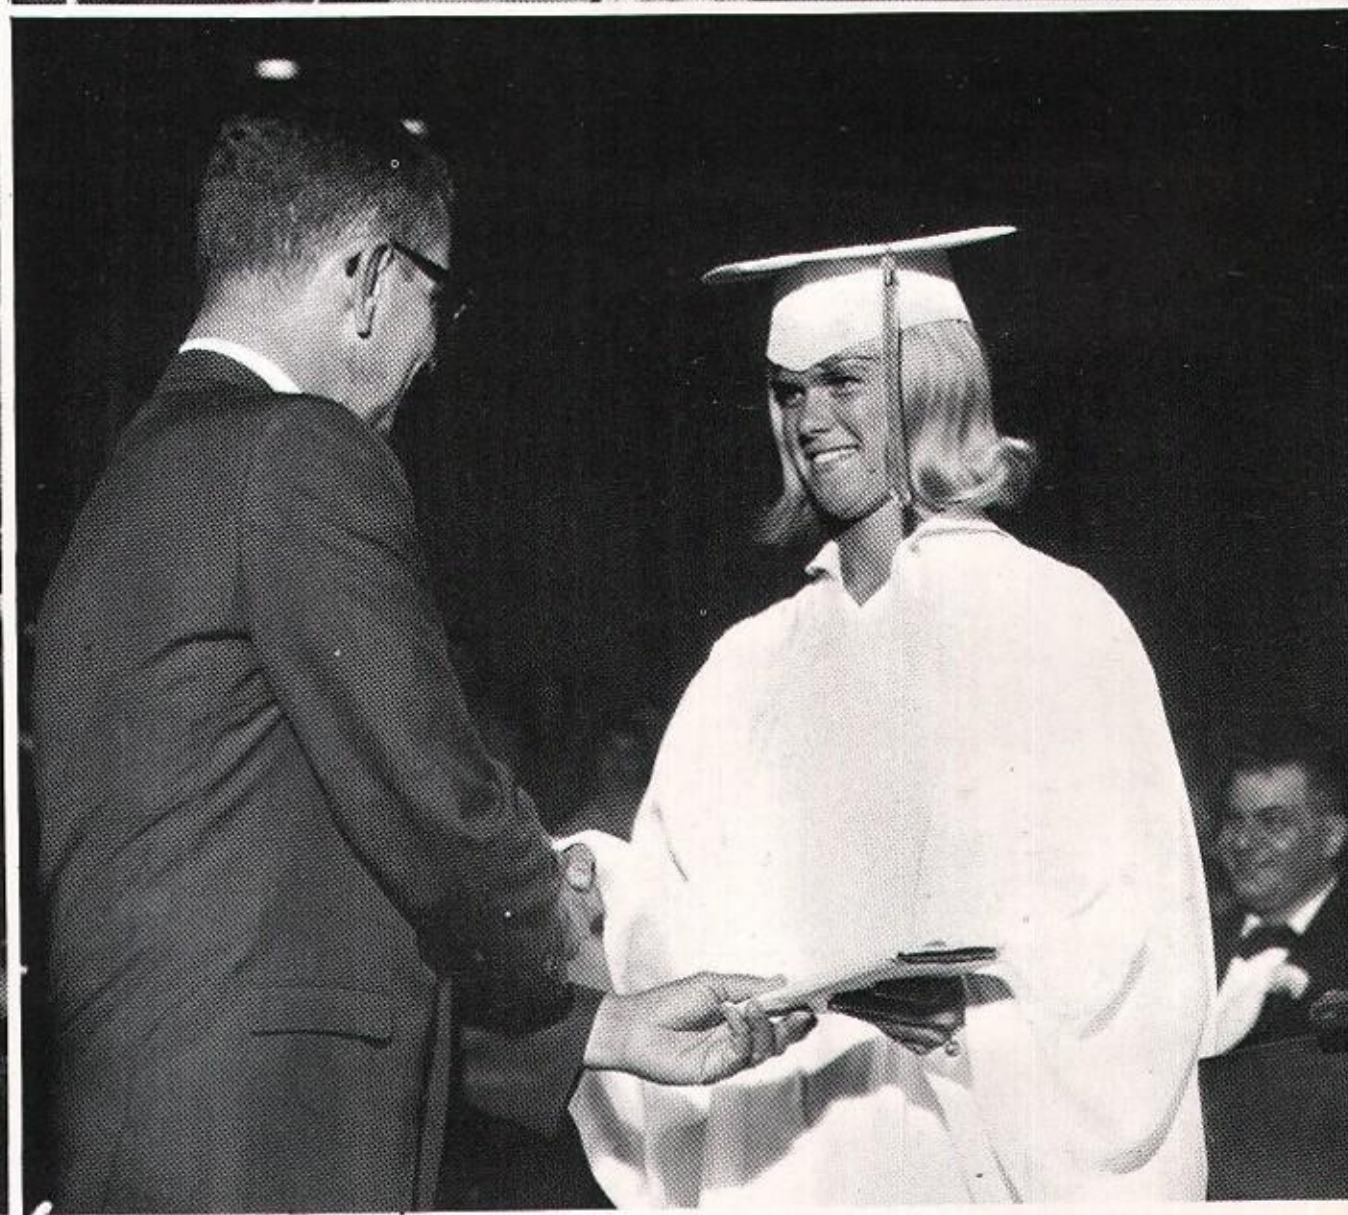

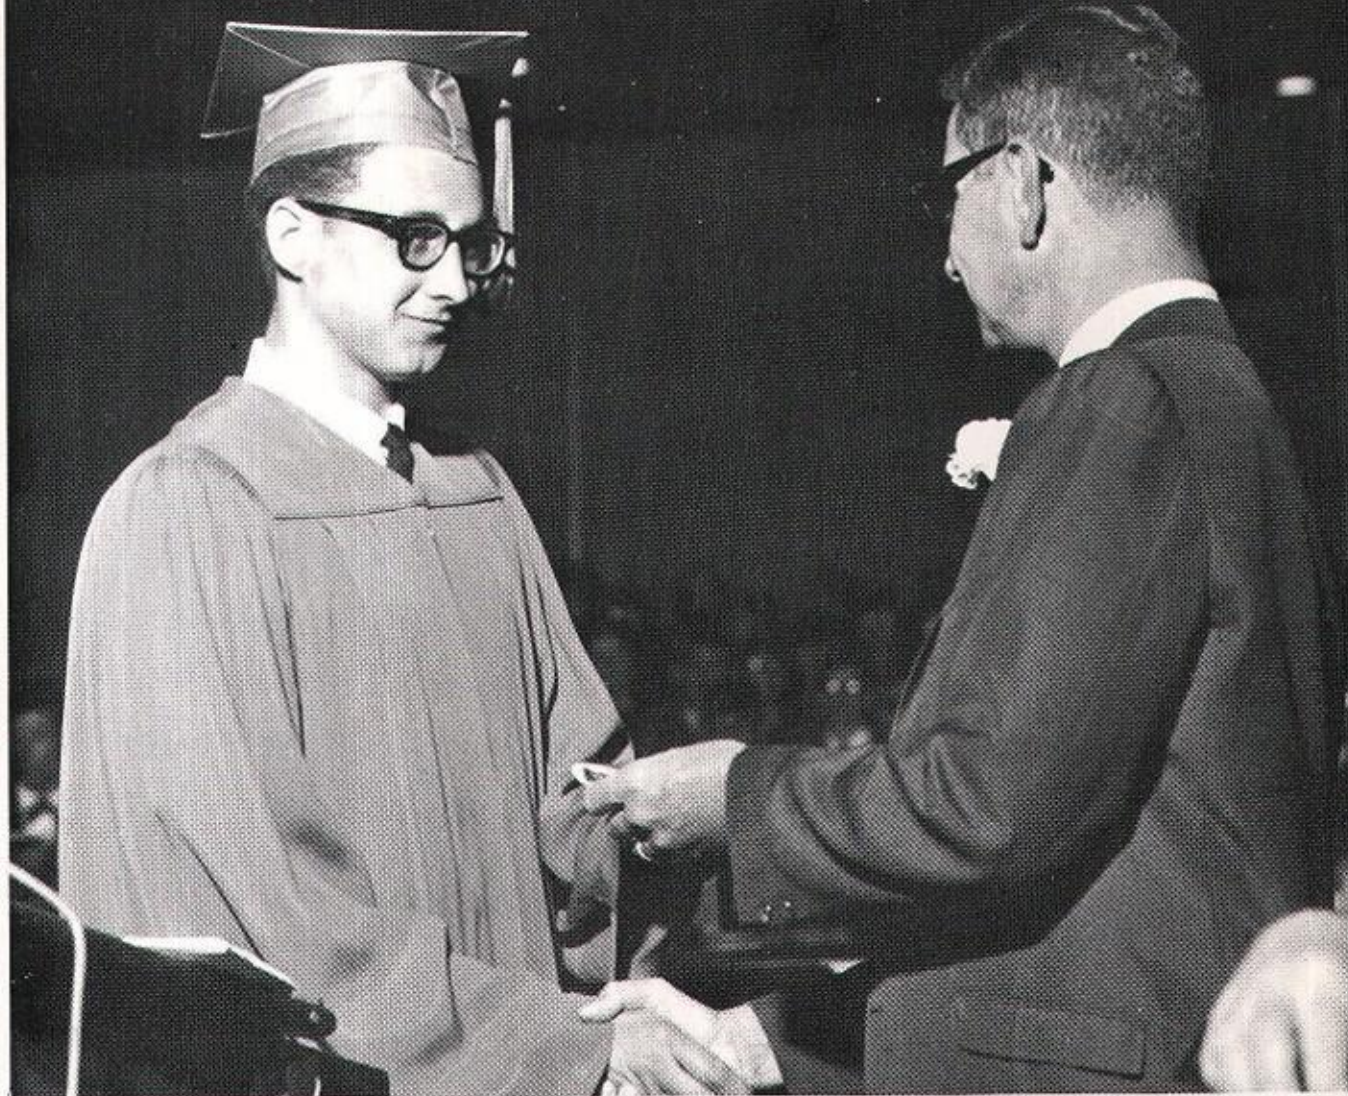

Jim Moats and Bob Bryant led the song fest.

Commencement . . .

Thomas Jefferson High School held commencement exercises Wednesday evening, June 1, 1966, in the Omaha Civic Auditorium. This change of place from previous years allowed for the comfortable seat-

ing of some 7,000 parents and friends of the graduating class. Salutatorian, Kenneth Lininger, and Valedictorian, Trudy Probst, gave speeches representative of the work which led to their honors.

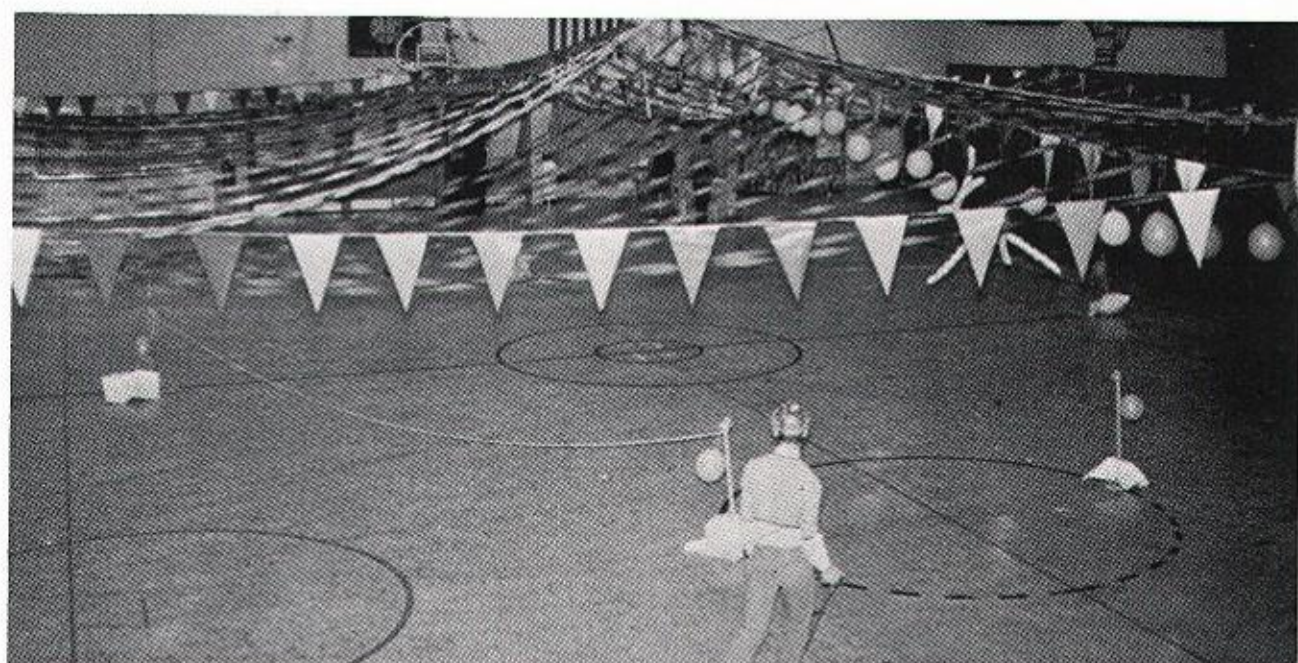

The graduating class of 405 received their diplomas from Mr. William Cutler, president of the Board of Education. The Thomas Jefferson School Band, directed by Mr. Ernest Oakes, and the Sophomore and

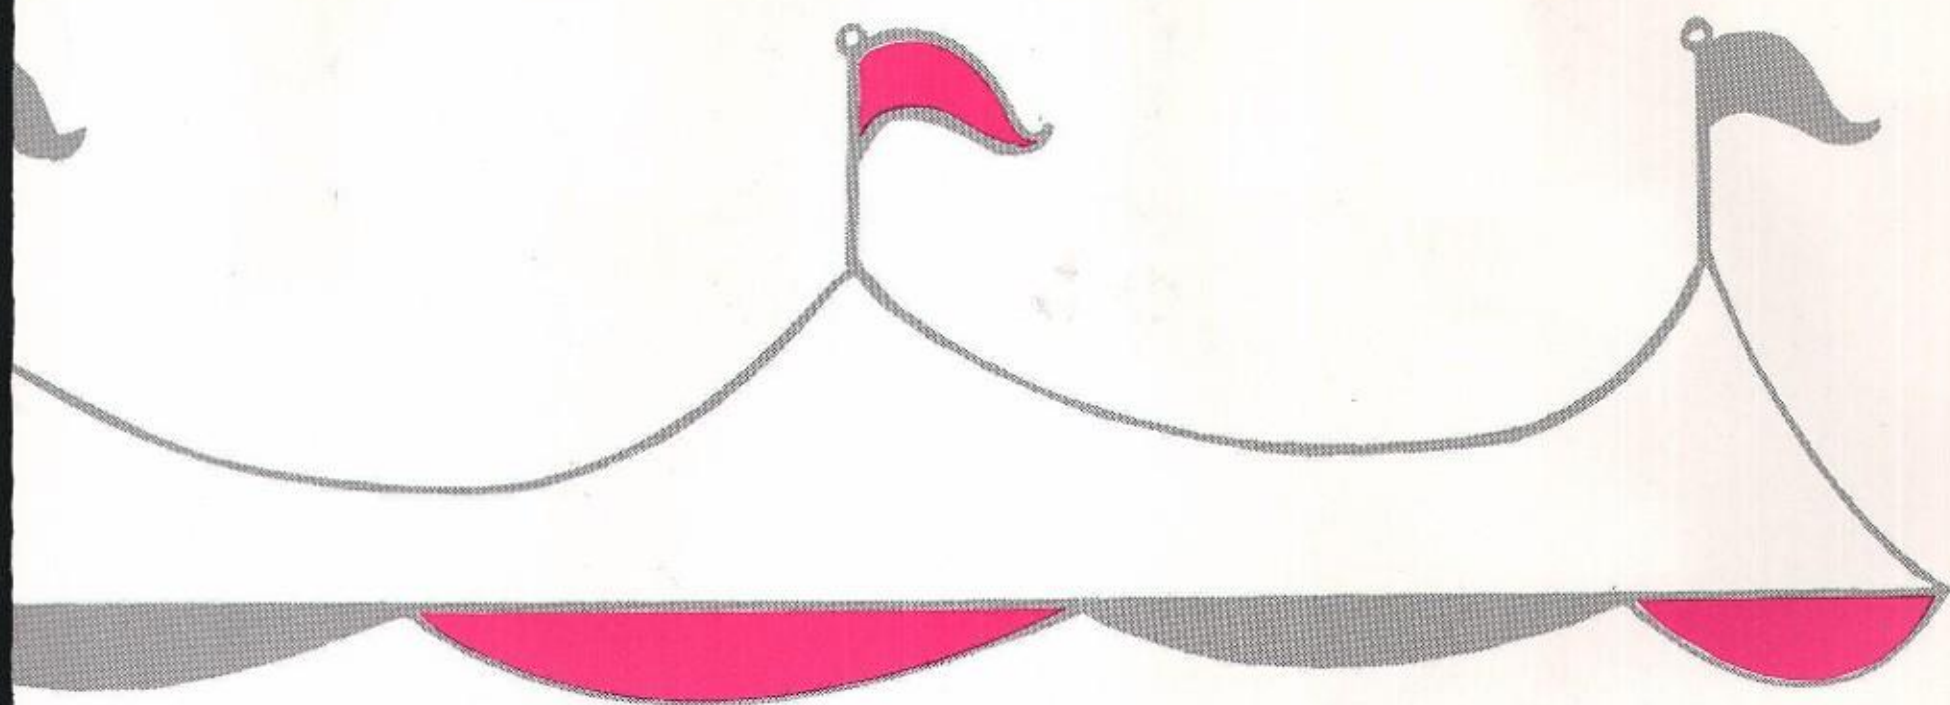

Junior choirs, directed by Miss Karen Jensen, gave the performances which greatly enhanced the beauty and dignity of the evening.

Under

The

Big Top

This year's senior class party, "Under the Big Top", was a huge success. The crepe paper big top decorated with balloons and pennants set the scene for the evening.

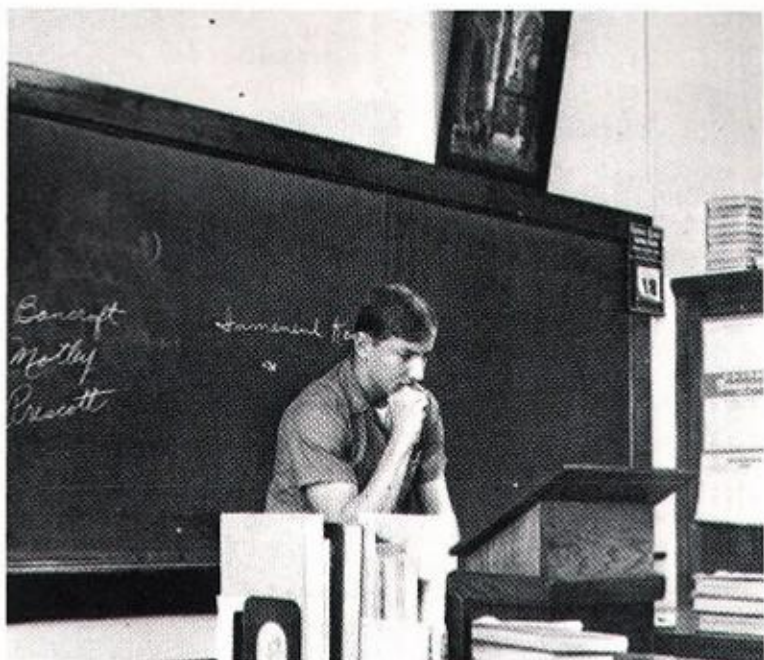

The evening's activities began with a "big boom" when the Contemporaries, a drum corps, played and marched for us. Other entertainers included a group of "graceful" boy ballerinas, Marsha Applegate, the Beachboys, Trudy Miller, Diane Cavanaugh and Donna Shamblen.

Costumes pertaining to the theme were worn. Mrs. Strickland led the senior class sponsors in judging the costumes. First place went to a hobo, better known as Alan Schroder. Glenda Petry, as a fat clown, won second place. The best couple award went to Eva Paladino and Leonard Koenigs.

Following the judging, chilburgers, milk and cookies were served in the cafeteria.

Dancing to the music of the "Statues" provided a good way to end a very successful evening.

ALMA

Now we leave our Alma Mater
And our friends so true.
We'll be loyal sons and daughters
Ever true to you.

So farewell, dear Alma Mater
May your name we pray,
Ever stand above all others
Hail, all hail, Tee Jay.

We require no minimum balance —
make no service charge on checking accounts
 for High School and College Students.

When young people reach the High School age, we've found they're ready for that step from the weekly allowance to the helpful experience of a personal checking account.

Helps them too, when they start to work — or go away to University. They quickly learn that checks discourage impulse spending and help them keep records of expenses... as well as providing a proof of payment.

Why don't you start *your* teenager on the adult way to money management — with a checking account? We make no charges for them to High School and College students.

We provide
 the first fifty
 personalized checks
 free of charge.
